Our Great Bible Competition No. 9.

During the year ending with September last, we have given a very large and valuable lot of rewards to our subscribers, aggregating an immense amount of money. We are sure that the Pianos, Organs, Gold and Silver Watches, Silver Tea Sets, Books, etc., etc., have given great satisfaction. A good deal of excitement has been caused by the advent of some of these costly prizes into the towns and villages of Canada and the United States. They have been sent to all parts almost, of the two countries, quite a number even going to England, and other distant places. Full lists of the winners are always published in the LADIES' JOURNAL immediately at the close of each competition, names of winners are given in full, together with the street and number, where possible, so inquiry can readily be made by those who are doubtful. There can be, therefore, no fraud.

To the fifteen hundred persons who correctly answer the following Bible questions will be given, without extra charge except for freight and packing of goods, beyond the regular half dollar yearly subscription, the beautiful and costly rewards named below. Our aim is of course to increase our circulation. We also hope to encourage the study of the Bible, but frankly this part of the plan is not our sole aim. We have lost so much money by dishonest agents, and have spent so much in valuable premiums to encourage them to send large lists, that hereafter we have decided to give all these things direct to subscribers, for answering those Bible questions. Be sure to remember that everyone competing must send with their answers fifty cents by post-office order, scrip, or small coin. They therefore pay nothing extra for the privilege of competing for these costly rewards as fifty cents is the regular yearly subscription price to the Journal. The competition remains open only till fifteenth February next, and as long as the letter is post marked where mailed either on the day of closing (15th February) or anytime between now and then, it will be in time and eligible to compete. You answer this promptly now, and you may doubtless secure one of the first rewards. If you answer any time between now and fifteenth of February, you may secure one of the middle rewards, and even if you answer on the last day (15th Feb) and you live a good distance from Toronto, fifteen days being allowed after date of closing for letters to reach the office from distant points, you are almost certain to secure one of the consolation rewards. Subscribers who are nearing the end of the term paid for will do well to avail themselves of these great offers at once, as there is a possibility of their securing a piano, organ, gold watch, silver tea set, or some other of the many rewards offered. Address, Editor of Ladies' Journal, Toronto, Canada. Don't delay attending to this, but do it now, and you will not regret it, you may depend.
