PRACTICES FOR SALE.

SPECIFY BY NUMBER THE ONE YOU WISH DETAILS OF.

- No. 73.**—\$2,500 practice in town of 3,500, 100 miles north-west of Toronto. Desirable brick residence, with introduction. One of the booming towns in the west. Price, \$2,000. Terms, \$650 cash, balance on time.
- No. 72.**—\$2,000 practice in village of 200, unopposed, good territory, County of Lennox. Price, \$250, for good-will and office contents.
- No. 71.**—\$1,800 medical practice in village of 300, with office and stable contents. The doctor is sick and must leave. Price, \$250 cash. County of Leeds.
- No. 70.**—\$4,000 to \$5,000 cash practice, with full introduction, in lovely section of Western Ontario, population 600, one opposition, long drives, thoroughly established. Price, \$3,000, which is not the cost of the residence which goes with practice. Terms, \$1,000 cash, balance on time. This is the greatest money-maker in the west.
- No. 44.**—\$2,000 to \$3,000 practice in town of 7,000 population, 100 miles north of Toronto, with introduction. Price, \$500, and purchaser may rent either or both the vendor's beautiful home and office.
- No. 12.**—\$4,000 practice and lovely home, in fine section, population 800, one *confrere*, thoroughly established, County of Wellington. Price, \$5,000. Terms, \$1,000 cash, balance on time.
- No. 74.**—A physician in Vancouver has a drug store which he cannot attend to, and is offering it at rock bottom price. It is located on the best situation and best street in town.
- No. 69.**—A house on Gerrard St., Toronto, which is now and has been a physician's residence for 20 years. The house being too small for present occupant it is offered at a bargain, and a good practice can certainly be expected.
- No. 67.**—\$2,000 practice and newly built, modern brick house, in richest part of County of Durham, is offered, with introduction, for \$2,500—\$1,000 cash, balance can remain on house. The doctor has to undergo a surgical operation which will incapacitate him for country work.
- No. 52.**—\$5,000 practice and lovely home in a city of 12,000 near Toronto, with introduction. Price, \$6,500—\$1,500 cash, balance can remain on house.
- No. 64.**—\$3,000 practice, introduction, road and office outfit, population 1,400, large and splendid country around. Price, \$1,000. Terms, \$600 cash, balance on time. County of Grenville.
- No. 55.**—\$5,000 practice in city of over 10,000 population. Within 100 miles of Toronto, and introduction. Price, \$1,000. An unusual opportunity.
- No. 60.**—The office contents in a rural village, vacated by the doctor in a hurry to secure a lucrative position, is offered for \$100—less than half what he paid—no opposition—county of Peterborough.
- No. 59.**—\$2,000 to \$3,000 practice and lovely home, centrally located in city of 12,000, in County of Perth. Price, \$2,650. Terms, \$650 cash, balance on mortgage. Note the easy terms. Great opportunity.
- No. 56.**—\$2,000 to \$3,000 practice in city in Western Ontario, and introduction, to anyone renting the doctor's fine home at \$400 per year for first year, and \$300 per year after.
- No. 54.**—\$3,000 rural medical practice with road outfit, dispensary necessities, house and office heating appliances, and the doctor's home, which he built at a cost of \$3,300 to suit a medical man. The practice is unopposed—large territory—and is a sure thing for any Protestant. Full introduction. Price, \$3,200. Terms, half cash, balance on mortgage. Eastern Ontario.
- No. 49.**—A practice of \$100 per month, cash, is offered in village of 400, without opposition, in Alberta, N.W.T., on railroad. Appointments are worth \$400. Price, \$300 cash.
- No. 30.**—\$2,500 and upwards practice, with the doctor's home, good-will and introduction, in village of 1,000 population in county of Leeds, only weak opposition; would suit a Catholic best, next a Presbyterian, to either of which success is assured. Price, \$2,700. Terms, half cash, balance on mortgage.
- No. 28.**—\$2,000 and upwards practice in a city and \$600 interest in great paying drugstore, office contents, good will and introduction, all for \$1,100. A splendid nucleus to commence on in a city.
- No. 2.**—\$3,000 to \$3,500 rural practice, unopposed, in village of 300, located in rich agricultural township, about thirty miles east of Toronto. Fine brick residence; two months' introduction; pay is excellent; suit Methodist or Presbyterian. Price, \$4,500. Terms, \$2,000 cash, balance mortgage on place. One of the surest country practices in Ontario.

Two desirable locations are offered to rent to physicians in Toronto.

THIS IS A FINE TIME TO SELL, as I can place any good opening at reasonable terms with some of my numerous registered buyers, and a number of graduating students will want locations.

The following Instruments, in perfect order, have been left on sale at very low prices: Compressed air apparatus, cost \$30.00, will sell for \$12.00. Allen's Surgical Pump, cost \$35.00, will sell for \$20.00. Aspirator, cost \$16.00, will sell for \$10.00.

Letters must be direct from medical practitioners interested, and must enclose stamp for reply, otherwise they will remain unnoticed.

Address— **DR. W. E. HAMILL,**
