

**N. S. Teachers.**

Several Nova Scotia teachers this year are forming French classes in their schools and using our "First Step in French" for beginners with marked success. All children in the Maritime Provinces should be afforded an opportunity of learning at least a little French, and there is scarcely a teacher who could not teach the subject with the aid of our texts. American schools long ago saw the advantages of our method and many adopted it. We would like to hear from more teachers down by the sea. *Qu'en dites vous, messieurs.*
