G. Joint Resolution Proposed by Belgium, Brazil and Denmark, November 14, 1947

TREATMENT OF INDIANS IN SOUTH AFRICA

The General Assembly,

Considering the reports submitted by the Governments of India and of the Union of South Africa following the resolution of the General Assembly of December 8, 1946, which drew their attention to the desirability of their reaching an agreement;

Considering that, according to the opinion expressed by the said resolution, the treatment of Indians in the Union should be in conformity with the international obligations under the agreements concluded between the two Governments and the relevant provisions of the Charter; that, in consequence, it is above all necessary to determine the rights and obligations of the two States; that, according to the Charter and to the Statute of the International Court of Justice, the Court is particularly designed to deal with such questions;

Expresses the wish that the parties should continue their efforts with a view to reaching an agreement directly settling their dispute, and that, should they fail to reach such an agreement, they should submit the dispute to the International Court of Justice.
