The Honourable Julius L. Katz
Deputy United States Trade Representative
Executive Office of the President
600 17th Street N.W.
Washington, D.C. 20506

Dear Ambassador Katz,

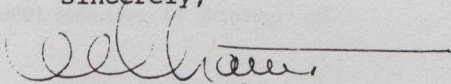

I have the honour to refer to recent consultations which were held between representatives of the Government of Canada and the Government of The United States of America regarding Canada's import restrictions on broiler hatching eggs and chicks.

As a result of these consultations, officials of both governments have agreed to the terms and conditions contained in the attached document entitled, "Annex: Agreement Between the Government of Canada and the Government of The United States of America Concerning Imports of Broiler Hatching Eggs and Chicks" ("Agreement").

If the terms of the said Agreement are acceptable to your Government then I have the further honour to propose that this letter and its Annex, which are authentic in English and French, together with your confirmatory reply, constitute an Agreement between the Government of Canada and the Government of The United States of America, which shall enter into force on the date of your reply.

Accept, Sir, the renewed assurance of my highest consideration.

Sincerely,

Marc A. Brault
Minister (Economic)
Deputy Head of Mission
