

ARTICLE VIII

The present Agreement replaces the Agreement between the Government of Canada and the Government of Spain for Co-operation in the Peaceful Uses of Atomic Energy, which was signed in Ottawa on September 8, 1964⁽¹⁾ and which shall terminate on the date of entry into force of the present Agreement.

ARTICLE IX

1. The present Agreement shall be signed and ratified by the two Parties and the exchange of instruments of ratification shall be held at Madrid.

2. The present Agreement shall enter into force upon the date of the exchange of the instruments of ratification.

3. The present Agreement shall remain in force for the operating life of any facility supplied or obtained pursuant to this Agreement or for a period of ten years, whichever is longer. If neither Party has notified the other at least six months prior to the expiry of such period, the Agreement shall continue in force thereafter until six months after notice of termination has been given by either Party to the other; provided, however, that notwithstanding the termination of this Agreement the provisions of Article III and the provisions of Article V shall remain in force until it has been agreed between the Parties that items referred to in these Articles can no longer be used in such a way as to further any non-peaceful purpose or it is otherwise agreed by the Parties that provision of these Articles should no longer apply.
