BILL C-79

BILL C-76

THE HOUSE OF COMMONS OF CANADA
CHAMBERA DE COMUNES DEL CANADA

THE HOUSE OF COMMONS OF CANADA
CHAMBERA DE COMUNES DEL CANADA

It has been established that there is a link between cigarette smoking and lung cancer, heart and respiratory diseases. It has been established that television advertising promotes the use of cigarettes, particularly among young people, and consequently, more diseases are caused by smoking. The purpose of this bill is to enable the Board of Producers Governors to make regulations controlling advertising of cigarettes.
