

Grain

Ethanol, conversion to energy, petrochemical enhancement, feasibility studies, energy industry resistance, etc., 51:48-50; 52:54

Exports

Increase, 51:14-5

Soviet Union, 51:34-6, 45-6

See also Churchill, Man. port; Grain grading and inspection services—Inspection certificates

Inventories, levels, United States comparison, 10:14-5

Markets

China, 4:24-5

International Wheat Council projections, 4:26

Korea, 4:25

Share, increasing, Canadian Wheat Board role, quality factor, etc., 40:6; 51:20-1, 35-6

Stability, projections, 4:24-6

United States share, recovering, increasing, Export Enhancement Program, 40:9-10; 51:14, 25-6, 34-7

Mixed grains, stabilization, Western Grain Stabilization Program, possibility, 60:20-1

Producers

Permit book entries, updating upon delivery to producer cars, producer obligation, Bill C-92 amendments, impact, 40:7, 17-8

See also Grain elevators—Bankruptcies; Grain transportation and handling—Producer cars—System; Special Canadian Grains Program—Payments; Western Grain Stabilization Program—Payouts, Deficiency payments

Production

Feed grain, percentage, 4:28

Increase, 4:24, 33

International, decrease, self-sufficiency, impact, 4:32-3; 51:13, 19-20

Organic, Agriculture Department studies, 4:27

Other countries, Argentina, Australia, China, 40:9-10

Peace River area, Alta., decline, transportation costs, impact, 7:29

Soviet Union, Chernobyl nuclear accident, impact, etc., 40:9-10, 34-5

Stimulation, Western Grain Stabilization Program, effects, 60:50

United States, acreage set-aside, reduction, implications, 51:19, 25, 46-7, 54-5

Production costs, 1:15

Components, specific farm basis, information, including in Canadian Wheat Board payments, feasibility, 51:29-31

Freight rates, percentage, 7:7

United Kingdom, comparison, 2:15

Western provinces, 7:32-3

Quality, international reputation, 4:25-6; 10:31-2

Trade

Increase, 51:13, 24-5

International Grains Agreement, 12:10

United States imports, dredging tariff, 28:7

See also Feed grain; Grain elevators; Grain grading and inspection services; Grain price; Grain transportation and handling; Meat packing industry—Surplus; Seed grain; Special Canadian Grains Program and *specific grains by name*

Grain companies see Grain transportation and handling—Producer cars, Producer payments; Railways—Branch line abandonment, Farmers

Grain elevators

Bankruptcies, producer protection, documentation, regulations, 60:6; 61:42-3, 51-2

Carrying charges, 4:20

Average, 1980-1981 to 1985-1986, 44:23

Consolidation

Storage capacity impact, 20:19-20

See also Grain elevators—Inland terminals

Country elevator system

Producer cars, competition, impact, 41:14-5, 21-4; 42:23, 30-1; 44:17-21

See also Grain elevators—Profits; Grain transportation and handling—Producer cars

Grades, blending, 44:25

Inland terminals, expansion, rationalization

Interlake, Man. region, Parrish & Heimbecker elevator closure, 43:24

Producer cars, use, impact, 43:23-4

Licensing, bonding, 60:28-9, 35-7

Off-track, Central Western Railway, efficiency, 10:25

Primary

Process elevators, difference, 61:39

See also Grain transportation and handling—Producer cars

Profits, earnings, country/terminal comparison, 10:16-7

Storage

Capacity, producer car use, impact, 41:8; 44:13

Charges, fees

Labour disputes, impact, 61:55-6

Payment, requirements, 61:56

Tariffs, filing date, 61:55

10 days free, 44:43

Securities, protection period, one year, 60:6, 17

Statements, process elevators, requirement, 61:57-9

Tickets, holding, price-out time limit, 90 days, 60:5-6, 16-9, 22-6, 64-5; 61:56-7, 59

See also Feed grain—Storage facilities; Grain elevators—Consolidation

Transfer elevator system, eastern provinces, dismantling, 61:41

Weigh-overs, transfer/terminal elevators, 61:58-9

See also Canola—Producer cars, Applications; Corn—Drying;

Feed grain—Storage facilities; Grain transportation and handling—Demurrage; Railways—Branch line abandonment; Red meat industry—Saskatchewan

Grain grading and inspection services

Canadian Grain Commission role, 51:15; 60:5-6

Cost-recovery policy, Canadian Federation of Agriculture position, 25:8-9

Funding increase, 49:8

Grades

Changes, documentation, 61:50-1

Establishing by regulation, 61:45-8, 61-2

Inspection certificates, export position, 61:50

Samples

Disposal, 61:49

Standards, differences, 61:39-41, 43-4, 48-9
