Has the Canadian Broadcasting Corporation made any arrangements to have the football games televised through CKPR-TV serving the lakehead area?

**Answer by: Mr. Halpenny:**

I am informed by the Canadian Broadcasting Corporation that it does not have telecasting rights for the presentation of Canadian professional football games. However, it is carrying on its television network the N.F.L. games each Sunday afternoon and a series of Canadian intercollegiate games on some Saturday afternoons. There are carried to the lakehead area through CKPR-TV.

Yes, Messrs. T. Hanrahan, C. C. Harrison and C. E. Robinson were appointed as registered pilots on April 25, 1962. Mr. Robinson was replaced by Mr. A. H. Mallette on June 12, 1962.

**YEAR ROUND GREAT LAKES NAVIGATION****Question No. 247—Mr. Badanai:**

Has the government given any consideration to a proposal to keep navigation open year round in the great lakes?

**Answer by: Mr. McBain:**

In view of the major difficulties caused by the complete freeze-over of most of the major ports within the great lakes area, this project does not appear currently feasible, although every effort is being made to extend the season at each end within the great lakes area itself by increasing use of icebreaker capacity. This statement, of course, applies to the great lakes area and not to the seaway.
