

and dentistry for those who need it? How can we hope to develop healthy minds without healthy bodies? "Suffer the little children to come unto me, for theirs is the Kingdom of Heaven."

-----

I have heard many clergymen and others remark that it did not really matter whether Christ was supernatural or not, so why disturb the people by discussing it? On the contrary, this is the most vital question before the world today. Only when people are convinced that Christ was human just as they are, will his teachings become understandable to men.
