

THE UNIVERSITY OF WESTERN ONTARIO
LONDON, CANADA

RECEIVED FEB - 6 1937

January 27, 1937.

Principal A. E. Morgan,
McGill University,
Montreal, P.Q.

Dear Mr. Principal:

The University of Western Ontario secured its charter in 1878 and consequently next year will mark the University's sixtieth anniversary. The Board of Governors and Senate are now planning to celebrate this occasion by holding appropriate exercises on Friday and Saturday, the twenty-first and twenty-second of October, 1938. In due time detailed announcements of the proposed exercises will be sent to sister universities and colleges, and invitations will be extended to them to appoint representatives to join our university in celebrating suitably an important event in her history. On behalf of the Board of Governors and the Senate I now express the hope that McGill University will be represented by a delegate on that occasion, preferably by yourself as Principal.

Faithfully yours,

W. Sherwood Fox
