

*To the consideration
of the Arthur Currier*

Montreal, January 4, 1924.

Dear Sir,

You will find enclosed an invitation to be present at a meeting to be addressed by Her Excellency, The Lady Byng of Vimy. It is desirable that representative citizens of Montreal should attend because Her Excellency has an important announcement to make that will affect public health conditions in Canada.

Hoping that you will find it convenient to be present, I remain,

Sincerely yours,
