Braga and Miranda [having W. to E. affix] doth
signifie that the two opposite Provinces, [viz. Entre
Douro and Tralos Montes] are found from
West to East. The other (having N. to S. affix) do
show that the four opposite Divisions are found in the
Map from North to South.

Note, That those Letters denoting the 8 Points of a Compass above-mentioned are still applied to the situation of Counties or Divisions expressed (as in the aforesaid Example) and not to the Cities or Towns in those Counties or Divisions, except when Cities or Towns only are mention'd, then in such a case those Letters denote the situation of them, as Pag. 67.
