

STEWART

STEWART has in its vicinity all the natural advantages that will make it a great city.

HERE ARE SOME OF THEM:

An ideal situation, a fresh water harbor, unlimited water power, inexhaustible coal supply, deposits of clay, limestone and other building material. Agricultural Lands, Timber Lands, Fisheries, and Gold, Copper and Silver-lead Ores.

STEWART has now Graded Streets, Wharves, Railroad, Water-works, Electric Light, Telephones, Sewers, School, and other utilities of a modern town.

STEWART WILL HAVE—The terminus of a Transcontinental Railway, Saw-mills, Factories, and everything that goes to make

A GREAT CITY

We have lots for sale in the original townsite at prices from \$400 to \$5000.00.
