

# Bowling Toronto Rink Wins at Buffalo Hamilton Plate Glass Trotting World's Record For Average Speed

## CLOSE FINISHES ORDER OF THE DAY

Fourth Day at Hamilton Races Furnishes Exciting Sport.

HAMILTON, July 30.—Close finishes were the order of the day at the H. J. C. meeting, and capital racing was witnessed by a large attendance. Speculation was brisk in the ring, and the results were largely in favor of the pencilers. The card was an ordinary one, with the Midsummer Handicap, at seven furlongs the feature. This race proved a grand contest, as the original favorite, Plate Glass, failed to finish in the money, and the strongly-played second choice, Donerail, landed the show money only. Old Cliff Edge, that has been running in excellent form of late, after leading from the rise of the barrier, and the lightly-weighted Mediator finished second after being shuffled back early in the race. Plate Glass ran a bad race, although he was a close-up fourth at the end. He opened at 6 to 5, and in the face of a heavy play from the Toronto contingent, resulted in the betting in a few of the boxes, until he was better than 2 to 1 at post time.

The finish between Earl of Savoy and Master Jim in the second race, when they ran nose apart during the final eighth, was the closest of any seen on the circuit. The Earl, a well-played favorite, got the verdict, but he could not have been more than an eyelash in front of Master Jim when the winning post was reached. Another nose-and-tail finish came with the running of the last race of the day, the mile and a quarter. Journey on the grass, when Clubs just got up in time to beat El Oro by a scant margin, after the latter had made all the pace and led through the trip, until the final jump. My Fellow, the winner of the race on the turf on the opening day, was favorite for this race, but did not cut any figure in the running.

The stepladder was a splendid contest between the odds-on favorite, Eniskillen, that ran coupled with Racewell, and the African. The latter led to the last jump, when Eniskillen got to the front, but the latter had all he could do to beat the Hamilton horse in the run home. The African scored badly after entering the stretch, otherwise he might have taken the favorite's number down.

The Kentucky mare, Mother Ketchum, that won a good race recently at Windsor, was the choice of the "layers" for the sixth race, a six furlong dash. This race was won by Tom Sawyer in handy fashion, with the favorite finishing among the rabble.

The announcement was made by the stewards that Steeplechase Jockey H. (Red) Simpson had been ruled out of the turf for attempting to bribe Jockey S. Wilson, who has been riding the African.

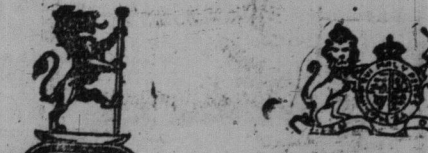

## The Spirit of Sport

American vs. English

The marked contrast between the English and American methods of taking defeat or victory in sport is pointed out by a comparison of the following paragraphs relative to the winning of the international tennis championship by an American, both taken from the sporting page of The New York American. The first is the introduction to a dispatch which the American correspondent sends to his paper, the second is the tribute paid to the victorious American by the defeated Englishman. The manly and generous words of the latter form a pleasing contrast to the cheap exultation of the former. Americans have still to learn that a true sport spirit is greater than the ability to always win.

**The Yankee.** July 28.—Disconsolate tonight the British lion mopes within his den, his many hide furrowed once more from an encounter with the clutching talons of the mercurial Eagle. Without the lord of the heavens screams exultingly and the toothless king of beasts gives thanks that his fair contains no trophy envied by the bird of prey.

**The Englishman.** July 28.—Dixon, the vanquished Briton, took his defeat rather philosophically. Seen immediately after the match, he said: "McLoughlin deserved to win. I thought I had a great chance when we started, but when he began to place so accurately down the side lines and in the corners that ball which he plays with such a topspin I knew it was done. He was sure with this shot and ran me to a complete standstill. His second service is practically as fast and difficult as his first."

## AUSTRALIANS BEAT R. I.

PROVIDENCE, R. I., July 30.—The Rhode Island cricket players learned some of the fine points of the game today from the Australian team, who batted six men against Rhode Island's 12. The first innings was played yesterday. The local players were unable to hit the outstanding bowlers, while the champions scored almost at will. McCarthy of the visitors made 76 runs. The Australians will play in New York on Friday and Saturday.

can thru the field this season. When hauled up on the carpet, Simpson admitted offering Wilson \$100, but said it was the latter to be first or second in the steeplechase on the opening day. Wilson's story is that Simpson wanted the African to be neither first nor second in that race, and his story was substantiated by Trainer McDonald.

Secretary W. P. Fraser of the O. J. C. and Secretary W. Northey of the Montreal Jockey Club were in attendance here today, and both report brilliant prospects for their respective meetings, which are to follow.

Jockey Loftus left tonight for Saratoga, where he will ride for B. R. Bradley. Johnny Greenwood, the Toronto owner, reported today that his fast mare, True at the Woodbine yesterday. This mare fell during a race at King Edward Park, Montreal, recently.

There will be a meeting of the Canadian Racing Associations here on Friday, when several matters of importance will be taken up.

**FIVE DRIVERS WERE NOT TRYING AT GUELPH**

GUELPH, July 30.—The afternoon was taken up with the second day's horse racing, which was successfully carried out. The feature was the suspension of five drivers of horses in the 2.30 race, when several matters of importance will be taken up.

## CARNAHAN IN EXTRA END DEFEATS SEAGRAM

Bowling Final at Buffalo—McCurdy of Stratford Takes Frontier Cup.

BUFFALO, July 30.—(Special).—The Buffalo lawn bowling tournament will conclude tomorrow and by evening the white-applauded men who have inhabited the Meadow Park green for the last four days will have folded up their traveling grips and faded away for another year.

The outstanding feature of today's bowling was the winning of the first competition, the International Cup, by Skip W. J. Carnahan of Toronto. Carnahan, who defeated the veteran bowler, Edward F. Seagram of Waterloo, Ont., by two shots, 221.

The Frontier cup was won after a hard fought game by Skip Thos. H. McCurdy of Stratford from Skip F. Kelk of Lorne Park by four shots. The game was much of a runaway for McCurdy, who had the other rink beaten early in the game. The Kelk rink began to spurt toward the close, but it was too late and they couldn't overcome the big lead.

More triumphs for Poo Bah Fleming. President Quinn of the D.L.A. has suspended Didier Pire of Nationals indefinitely for assaulting Judge-of-Play Tom Humphrey at the Beach last Saturday. It is also likely that Manager Cettarich will be dealt with for taking his team off the field.

It is practically certain that Munro, the new home fielder secured by the Toronto team from the Shamrock Hotel, will get a chance in the big Holiday game at the Beach, and his debut will be watched with considerable interest.

## LACROSSE GOSSIP

With Lacrosse and Brampton playing at the Beach on Saturday afternoon, the curtain will be rung down on the season in the local Senior O.A.A.U. series. Brampton are touted as coming champions, the Lacrosse expected to take all out of them in an endeavor to put both St. Kitts and Young Torontos back in great style just now, and will put up a fine exhibition of the national game. Those who journey to the beach will see a battle royal all the way. The game starts at 2:15, and is the only lacrosse fixture in town on Saturday.

Young Torontos will hold their final work-out at the Beach grounds tonight in preparation for their game with St. Kitts on the holiday. An extensive meeting will be held immediately after practice, when business of importance is to be transacted.
