

FEATHERS, Feather Pillows, Down Comforts, FANCY DOWN GOODS.

Something New is what the People all want. We have it

Hot and Cold Blast Odorless Feathers.

Having just completed our New Feather Factory with an entirely new method of cleaning Feathers and Down, we are now in a position to furnish you with better goods than you have ever handled. Being first in the field we claim a just recognition in the line of orders, and as to the Quality, a sample order of Feathers prepared by the **Hot and Cold Blast Process** will prove to you that we are able to give our customers better goods than any other house in the same line and for less money. Latest Styles of Silks, Satens and Linen Ticking used. Great pains is taken in the manufacture of Fancy Down Goods and Down Comforts.

See our Designs for 1893, before placing your Order elsewhere.

Samples and Prices of all Goods furnished upon application.
