

- L. (continued) in view of peripheral
 arteries .. 64
 operation in exophthalmos .. 242, 244
 - in x-ray .. 691
 Lifting pain of side .. 680
 Linitis, pseudo .. 680
LIP, CANCER OF .. 408
 - prospect of cure and result .. 309
 - result of operation .. 308
 Litholapaxy in presence of bladder
 exophthalmos .. 136
 Lithotomy and litholapaxy, results
 of .. 137, 138
 Liver abscess, amebic .. 17, 193
LIVER, ACUTE YELLOW ATROPHY
 OF .. 400
 - special danger signals .. 401
LIVER, CIRRHOSIS OF .. 401
 biliary .. 405
 Indian form of .. 405
 portal .. 401, 406
 - jaundice and ascites of .. 402
 syphilitic .. 406
 diseases, ascites of .. 126
 glycosuria associated with .. 199
 hydatid disease of .. 344
 - rupture of .. 3
 stab and gun-shot wounds of .. 292
 Local anæsthetics, relative safety of .. 35
 Locomotor ataxy (see Ataxias, 132,
 and Tabes Dorsalis, 690)
 Lorenz's operation in congenital
 dislocation of hip .. 340
 Ludwig's syphilis .. 688
 Ludwig's angina .. 172
 Lumbal puncture in meningitis .. 423, 425
 Lunacy (see Mental Diseases) .. 426
 Lunatics, tuberculosis in .. 585
 Lung, actinomycosis of .. 40
 affections with meninges .. 417
 changes in impaired ventricular
 contractility .. 497
 collapse of, bronchiectasis due to .. 163
 diseases, relation of influenza to .. 349
 gun shot wounds of .. 300
 - with retained foreign bodies .. 300, 301
LUPUS ERYTHEMATOSUS .. 407
LUPUS VULGARIS .. 408
 - dangers of x-rays in .. 409
 - excision and Finsen light in .. 409
LYMPHADENITIS, TUBERCULOUS .. 410
 medical and general treatment .. 410
 results of operation .. 411
LYMPHADENOMA .. 412
 medical treatment .. 113
 necessity for macroscopical ex-
 amination .. 112
 surgical treatment .. 413
 Lymphatic dissemination of tubercu-
 lous sarcoma .. 420
 - fistula (see Thoracic Duct,
 Wounds of) .. 702
 Lymphatic leukaemia .. 305
 Lymphatosis, relation of anæsthetics
 to .. 41
- M**
MACULINUS (see Leprosy) .. 4
Malaria .. 415
 Malignant, colic in, in peripheral of
 larynx .. 684
 Malignant sulphate injection in
 pericarditis .. 582
 in tongue .. 701
 Malar bone, fracture of .. 260
MALARIA .. 415
 children, resuscitated .. 126
 Malarial fevers, muscular atrophy
 from .. 487
 Malignant disease, ascites with .. 126
 after duodenal ulcer .. 673
 - vascular .. 486
 - hydrocephalus with .. 342
 of larynx .. 385
 lip .. 348
 pericarditis with .. 544
 of stomach .. 667, 677, 680
 tongue .. 702, 706
 endocarditis (see Endocarditis,
 Ulcerative) .. 229
 as sequel to acute rheu-
 matism .. 628
 gout .. 281
 growths of bladder (see Bladder) .. 144
 jaw .. 359
 kidney .. 369
 originating in a mole .. 484, 485
 of prostate .. 379
 melanoma .. 429
 ovarian tumours .. 532
 peristole (see Anthrax) .. 70
 scarlet fever .. 646
 structure of oesophagus .. 528
 Malta or Mediterranean fever .. 707
 Mandible, fracture of .. 260
 Maria (see Mental Diseases) .. 446
 a potu .. 164
 following typhoid fever .. 711
 and melancholia, relation be-
 tween .. 451
Manic-depressive insanity (see Mental
 Diseases) .. 138, 151
 Marie's cerebellar type of ataxia .. 133
 Mark, the pugilist's, shock from
 blow on .. 1
 Marriage of epileptics .. 229
 - haemophiles .. 311
 influence in chlorosis .. 181
 mental fertility and .. 482
 after syphilis .. 689
 Mastitic form of carcinoma .. 154
 Mastitis, chronic .. 162
 Masturbation in mental disease .. 489
 Mats' operation in microcyst .. 61
 Maxilla, fracture of .. 260
 removal for malignant growth .. 360
 Maxillary sinusitis, various opera-
 tions for .. 503
 Maydl's operation in exstrophy of
 bladder .. 440
MEASLES .. 416
 age difference in mortality in .. 417
 bronchiectasis as a sequel .. 163
 complications .. 417
