

that wells in this region may be made to yield satisfactory returns.

The narrow limits assigned to the writer of this essay, which he has prepared at the request of the Minister of Agriculture, have permitted nothing more than a notice of some of the more important mineral resources of the province ; and the reader who may be desirous of farther information upon these subjects, and also of more detailed chemical descriptions and analyses of the soils of the country, is referred to the work already indicated as the source of the information here given, viz the GEOLOGY OF CANADA.

T. STERRY HUNT.
