

INTER - FACULTY RUGBY NEXT WEEK

Officers' Training Corps and St. Michael's Stage the First Game.

The Mulock Cup series will get under way next Thursday and will carry the boys thru to the end of November. The series is divided into two groups, as in former years, and the group winners will likely play off early in December.

In group one Senior Meds, O.T.C., St. Michael's and Dental will provide the fun. Group number two is composed of Junior Meds, S.P.S., Victoria and University College.

The schedule is as follows:

The Central Y. Senior City Rugby team held a successful practice at Victoria College grounds last night. The turnout was the best of the season. Most of the members of the team are students of the various colleges through the city and were unable to attend the previous practice. However, they are now turning out with the intention of making a statement in the City League honors to the Y.M.C.A. After the practice a business meeting was held in the clubhouse for the purpose of electing a captain, and player M. H. Schatz was the unanimous choice. The following players were present: Bill Burch, Al Young, Dan Munro, Frank Sullivan, Linc Wilson, Willie Everist, Drummond, Hayland, Seccord, Laurie, Conacher, Schatz, Mitchell, Canniff, Applethorpe, Siders, Feist, Duncan, Plaxton, Britnell, Uren, Smith, Brotherton, McPetridge. All the above players are requested to be on hand at 2 p.m. on Saturday at Willowdale Park to indulge in a short signal practice preparatory to the trip to the Queen's Unique Athletic Club at 3 o'clock.

Beaches O.R.F.U. team will practice tonight at six o'clock at Scarborough Beach. The following are requested to be out: Carlick, Atwell, McLean, McKnight, Landry, Price, Ayers, Reid, Livinty, Doll, Boyd, Pierce, Armstrong, David, Carter, P. Penneck, A. Penneck, Parks, Taylor, Ellis, Withers, Hefferley, McCurry, Spring, Abate, Burns, Bradley, Pope, Hart, Singer, Dillon.

Saturday's games in the City Rugby League are:

Senior West District—Excelsiors at St. Vincent's, 3 p.m., Trinity College grounds.

Senior East District—Central Y.M.C.A. at Queen's Unique, 3 p.m., Willowdale Park.

125-B. Section—Capitals at Beaches, 3 p.m., Kew Gardens Hebrew Lit. at Arlington, 3 p.m., at Riverdale Park.

The Dental rugby club have found it impossible to make any arrangement whereby they can stage their senior O.R.F.U. games at Varsity Stadium this season. The Dental will play their home games at Scarborough Beach. This means that all O.R.F.U. fixtures will be played at the east end park.

Technical and Harbord will play their high school game today at Trinity College campus.

MEET ONCE AGAIN

The Wellingtons and Athenaeus will meet again, this time on the holiday at Scarborough Beach, for \$500 a side. The money has been posted and Pearson and Taylor named as umpires. The "grudge" game will be played on the 25th of the month. All basis after 25 per cent. of the receipts have been deducted for the Sportsmen's fund. The players eligible are: Athenaeus—Woods, Graham, Hawkins, Kelly, Carrick, Devin, Gray, Beatty, Hunt, O'Grady, M. Burns and Hett. Wellingtons—W. Burton, Smith, Thorne, Curzon, Bird, Brennan, Westlake, Murphy, McDonald, Keane, Lawson, Leonard and C. Burns.

DUNK MUNRO RUNS WILD IN EXHIBITION

University Schools Defeat Upper Canada in Excellent Contest—Notes.

University Schools Junior O.R.F.U. team and Upper Canada's Little Big Four outfit staged an exhibition game at Varsity Stadium yesterday afternoon. Dunk Munro was never in better form, and the U.S. youngsters were victors 10 to 6 after an interesting tussle.

It was grand rugby from the drop of the hat. Munro started early with his well-placed boots and broke thru for large gains many times during the afternoon. Gardner, at flying wing for the winners, was another that carried the ball for much ground. Upper Canada were weak outside wing, and Munro and Gardner soon noticed this falling and tore thru. Davis and Hyland, the U.C.C. middle wings, were the outstanding players for the losers. Both bucked for yards repeatedly. Upper Canada showed that they are a well-drilled team and had the Marsden passed down to perfection.

The Dental, senior O.R.F.U. entrants, had another good workout last evening. Dunk Munro had enough at the U.S. Upper Canada game, and did not appear. He will be out tonight, and it is expected that he will be able to muster a team in each series.

pected that Muckle McLean will also be on the job.

The Collins brothers, formerly of the Petros Junior O.R.F.U. team, made their first appearance last night. They look like real good boys and will likely catch a place. Smilie, of hockey fame, was another newcomer. Norton, a Muck Cup player, is also trying with the Dental. Burns, Charlie Stewart, Broderick, Eastman, W. Long, V. Long, Box, Holmes were also on the job. Blatz, from the Medical, and the U.S. O.S., are newcomers with the Dental.

Oakwood and Humberstone met for the second time today in the High School Rugby League. The wise ones are calling Oakwood the team to beat for the honors this season. To give Toronto lovers of the game a chance to see this battle it has been arranged to play the game at Varsity Stadium today. The Juniors from the Medical and the U.S. have been hit by the "flu," but it is expected that they will be able to muster a team in each series.

The games today are:

—Senior—Humberstone at Oakwood.
—Junior—Malvern at Harbord.
—Technical at Harbord.
—Parkdale at Riverdale.
—North Toronto at Commerce.
—Junior—Malvern at Harbord.
—Technical at Harbord.
—Parkdale at Riverdale.
—North Toronto at Commerce.

Dutch Brophy, the good Dental player, is the latest to be laid low with the "flu." Brophy is a sick boy and will not be out to practice for a week at least.

FLU PLAYS HAVOC WITH RUGBY GAMES

O.R.F.U. and City League Fixtures Are Postponed—Rugby Gossip.

The Spanish "flu" has caused a postponement of the opening of the O.R.F.U. senior patriotic season. With Beaches practicing hard for their scheduled game with Niagara Camp M.G.S. at Hamilton, on Thanksgiving Day, and East, Harry Fleming giving the finishing touches to his soldier boys, a quarantine is put on at Niagara and the knock-out players will be unable to get away for Monday's game. After a consultation, between Manager Box of the Dental, Manager Burt of the Beaches and the O.R.F.U. officials, it was decided to play Monday's game later in the season, and to fire the scheduled game with Beaches, not even after the finishing touches to his soldier boys, a quarantine is put on at Niagara and the knock-out players will be unable to get away for Monday's game.

The Rugby tangle herabouts seems to be far from untangled. Judging from the doings within the past few days in both the O.R.F.U. and the City Rugby League.

The Arlington's senior fourteen, who last year copied the 125-B. championship without a loss, and who this season gave promise of being up near the head of the list when the championship would be handed out, have officially notified the league that it is absolutely impossible for them to continue in the same thru illness.

The league executive suggested that an arrangement might be made to postpone Saturday's game and replay it at the end of the season should it be necessary to do so, but this was met with the official notification that the Arlington would have to call quits.

This action is very much to be regretted as it means that any player who played last Saturday with Arlington is ineligible for any other club, and the season having just commenced it will keep out of Rugby many lads who would not doubt like to join up with some other fourteen. However, this was no doubt considered carefully before taking the stand to default, but it is a matter that the C.R.L. cannot remove unless with the consent of a full meeting of the respective clubs.

Arlingtons forced Central "Y" into overtime last week after being in the lead at the halfway station. This shows that they would have been contenders in the race had not their chances been interrupted by the "flu."

Park Commissioner Chambers is being asked by the Capital Club to install Rugby poles at Corningham Square. Since the depletion of the playing field at Ketchum Park the "Caps" have had to look elsewhere for grounds and the only available space suitable for Rugby in the north end is the Maitland playing ground. Failing the granting of this request, it will mean that Caps will have to play their home games either at Willowdale or Riverdale Parks, each of which is miles from home, and they would thus be placed at a decided disadvantage as compared with the other teams in the league, whose home ground is still intact to them. Here's wishing that the Caps, who have done more for the fall pastime than any other club in the game, may have their request favorably entertained.

A number of points were taken up in connection with the Blackman trophy. At the opening of the bowling season, the cup will go to the Spadina Hospital and they will defend it on their own grounds until they are defeated. It was also decided that the club holding it at this time should be allowed to keep it.

SOLDIERS' BOWLING WAS HUGE SUCCESS

Dominion Bowling Tournament Committee Tells of the Progress Made.

A meeting of the Dominion bowling tournament committee was held for the purpose of clearing up the season's business relating to the Dominion bowling tournament and the bowling for soldiers. Those present were: Sir John Willison, T. Rennie, chairman; A. Johnston, C. E. Boyd, W. M. Douglas, T. H. Lister, J. H. Evans, J. A. H. Burt, A. C. McPhee, C. H. Macdonald, R. T. McLean.

Reports on the greens at the different hospitals were given by Messrs. Lister, Boyd, Evans and Macdonald. While this season the greens were not up to the mark, it is hoped that, with the work that has been done on them this fall, next season will see them in much better condition. It was decided that ditches be put in all greens.

Messrs. Douglas, McPhee, Henderson and Burt, convenors of the different hospitals, made their reports, telling of the great interest the men had shown in the game, and of the progress they had made. Letters were read from the secretaries of the different hospital clubs telling of their appreciation of the efforts of the bowlers, and of the interest shown in the men. The clubs have greatly valued the invitations given by the city clubs to play on their greens, their opportunities to play in the different tournaments, and the wind-up of only one season, the tournament for soldiers only.

The committee decided that the proceeds of the East v. West game, \$50.00, be divided equally between the Home for Incurable Children and the soldiers' fund, and also that the surplus of the Dominion bowling tournament should go to the soldiers' fund.

At the suggestion of Mr. Sykes of the Victoria Club it was decided to hold a soldiers' day on the first Saturday in June. This will be somewhat after the style of the East v. West game. The idea is to have all the clubs in the city play their entire membership and probably assess each player \$1. The proceeds will go far towards the upkeep of the greens for the season. The clubs will be asked to reserve the date for this game.

A number of points were taken up in connection with the Blackman trophy. At the opening of the bowling season, the cup will go to the Spadina Hospital and they will defend it on their own grounds until they are defeated. It was also decided that the club holding it at this time should be allowed to keep it.

The committee will, at once, look into the matter of greens at St. Andrew's College, so that play may be commenced there at the opening of next season.

PLAY IN HAMILTON.

Kitchener and Brantford have been ordered to play a sudden-death game in Hamilton to have a team ready for the Ontario amateur ball finals. Owing to the "flu" epidemic, the first game of the finals will be played in Toronto on Monday. The winner of the Kitchener-Brantford game will meet the victor in the 6th Battery-Hillcrest clash.

The close of the season shall also hold it during the winter. The club will be closed on Mondays and Thursdays every week and challenges will be accepted in regular order. Military Hospital club, side of Toronto will be allowed to compete for the trophy, but all games must be played in Toronto.

INTERNED CANADIANS ARE WELL IN HOLLAND

Before leaving London Sir Edward Kemp, overseas minister of militia, sent Major Hume Blake and Colonel Birks, of the Y.M.C.A. to Holland for the purpose of reporting on the condition of Canadian prisoners interned there. These officers have now returned to England and state, in a cable to Sir Edward today, that, on the whole, the conditions are satisfactory. Practically all are very well and in good spirits. The conduct of all ranks is reported to be remarkably good. Food conditions have been much improved on account of supplemented rations issued by the imperial authorities. Arrangements are being made by Colonel Birks to open a Y.M.C.A. canteen, supplying the canteen, including Australian, New Zealanders and Canadians, also adjacent imperial groups.
