bush fire was burning to-day in the southwestern part of the town, between Engageth and Jame-street, on the north side of Bloor. The practice of lighting fires in the bush should be stamped out. side of Bloor. The practice of lighting fires in the bush should be stamped out by the police, as there are a number of temporary frame houses going up around the outer districts of the town, the owners of which are liable to be

thrown to the ground and sustained several bad cuts on the right arm and thigh. Several stitches were necessary. Perfect attended to his injuries. Harold Weeks, aged 3, strayed away next month.

Ten new houses are under construction on evening about 5 o'clock. He turned up

Wallace Lodge O.Y.B. held their town. negular monthly meeting in St. James At the police court this morning Dr.

Clendenan charged a man named Patchett, who lives in Toronto, with taking sod off vacant lots, Patchett was fined \$2 by Magistrate Ellis. The practice of taking sod off lots without the consent of the owners is very common in the Junction and outskirts The Daughters of England Lodge, Rose of Kent, gave a very successful concert to-night in St. James' Hall.

East Toronto.

EAST TORONTO, May 7.—There was a representative attendance at the meeting called in the Y.M.C.A. to-night for the organization of a baseball club under the auspices of the East Tomonto Amateur Athletic League. J. E. Zie-man was unanimously elected president. and E. Hodgson, secretary. A schedule of games was arranged for the season, and at another meeting, to be held on Monday evening, the matter of the schedule will be further considered; and together with the constitution, finally adopted. It is proposed to hold two games in East Toronto every Saturday, league will consist of East Toronto, Balmy Beach, Beach Success. St. Joseph's and Hope Methodist Church Club. The entrance fee has been fixed at a very moderate figure, and the outlook for a most successful baseball season in East Toronto was never so bright. The age limit has been fixed at 21 years.

There will be a practice of the mem-bers of the Thistle Lacrosse team on esday evening at 6.30, and at 8 a meeting for the election of a new mana-There will be a game on Saturday afternoon with a team not yet selected that with the St. Simon's Club

That troubles never come alone is once more demonstrated in the case of the residents of wards one and two, who are engaged in the struggle for the inroads of the steam railway. The residents are now threatened with losing the electric railway. The statement preservation of the district from the the electric railway. The statement at-tributed to Manager Fleming, that the cars will "Y" at Howard-avenue will not be allowed to pass unchallenged. The East Toronto Council have all along, contended that the railway comare bound to provide adequate service for the people living east of Howard-avenue, and it is safe to assume that they will not be allowed to "Y" on Howard-avenue as this thorofare is not alone wholly in the town, but a strip of land one foot in width is reserved along the whole length of the adoption of the "good roads" systhe western side of Howard, precluding tem was before the county council, is reserved along the whole length of the western side of Howard, precluding any possibility of coming out on that street. No concerted action has as yet been taken by the residents living east of Leuty Park, but the residents are in good fighting trim, owing to the preliminary skirmishes with the other railways, and another contestant will only

Ladies' Back Combs

WANLESS & CO. 168 YONGE STREET.

NORTH TORONTO, May 7.—The board of works committee recommended to the council to-night that the large elm tree in the centre of Sherwood-avenue be removed.

A petition, circulated by F. Boulden, was presented, praying the council to spare the tree, and the petition prevailed

Petitions were received from property owners on the south side of Sherwood-avenue, for a four-foot concrete side-walk, and one from property owners on the south side of Briar Hill-avenue, for a four-foot tar and gravel walk. Both petitions were granted and referred to the engineer for a report

petitions were granted and referred to the engineer for a report.

Mr. Fielding of Sherwood-avenue wrote to the council that he would hold the town responsible for any injury done to members of his family on account of the dilapidated condition of the sidewalks.

Councillor J. M. Anderson was in fighting mood and wished to know as to who gave instructions to the street commissioner to remove the broken stones from north of Glengrove Park to Davis-

missioner to remove the broken stones from north of Glengrove Park to Davisville. He ventured the assertion that the northern part of the town is not used fairly, as the grading and scraping of the street had been stopped north, the sidewalks torn up and stones removed. Councillor Murphy, chairman of the board of works, stated that he ordered the stones to be used on the hill of the south end of the town, which became impassable and everybody in the town used that part of Yonge-street. came impassable and everybody in the town used that part of Yonge-street.

Councillor Lawrence enquired if it would not be an opportune time to induce small manufacturers to locate in town. He knew of several concerns wishing to locate and he thought that these people should only be taxed for the land occupied by them and not for the factory buildings. The proposition will be considered in committee meeting.

Councillor Brown wondered why the L.O.L. have not sent a report as to whether the town were successful in the tender re the Orange Hall, and asked

the clerk to communicate with the proper authorities.

H. L. Johnston received the contract for grading; building concrete steps and other matter at the water-tower, for

Rev. Canon Pollard of Ottawa is visiting at the rectory. He preached in Christ Church both morning and evening on Sunday.

Itom will hold a meeting, when addresses to secure some modification of the legislature. At the June session of the country council, which meets in the old court house on Adelaldic-street, the attitude of all the municipalities will be shown.

this district this afternoon.

WYCHWOOD, May 7.—The Wychwood Brass Band has been attached to the Army Service Corps and will go in camp

night, is of a very comprehensive mature, and involves altoepther, it is said, an expenditure of about \$12,000. The condition of the lake shore road at Councillor Ryding's about 8.30 receive additions. Three new houses o'clock and was taken home by Sengt. are being erected an Helena-avenue, Peters. He wandered over a mile from home. from Mimico to the Humber has been such this spring as to call for speedy action on the part of, not alone the nunicipality, but it is a question if the county council ought not to take a hand in the work of improvement.

Weston.

WESTON, May '7. Last night's neeting of the town council was a com paratively unimportant one, a numbe of routine matters being disposed of, among others the appointment of a pound keeper. A communication was received from Dr. R. S. Tyrrell, in unswer to the request of the council, for a portrait of his father, the late William Tyrrell, who for many years occupied the position of reeve. Dr. Tyrrell stated that he had pleasure in acceding to the request of the council, and the portrait will be at once placed in position. The defeat of the bylaw was barely touched that in future all sidewalks shall be laid on the local frontage tax plan.

Bracondale.

BRACONDALE, May 7.—The local beral-Conservative Association met last night and elected delegates for the nomination convention to be held in the town hall, Weston, at 2 o'clock next Saturday afternoon. The following were elected from polling sub-division No. 11, York Township: Edwards, J. H. Heaslip, H. Bromley, Wm. Grummett and Irwin Henry, From polling sub-division No. 12: Thomas Jones, L. Silman, J. Burns, E. Boggis and Chas. Bansley.

high on all sides with beautiful floral offerings. Beautiful wreaths were sent by the school children. Several little playmates wishing to send a last token Good Roads Movement. The action of the county council at the January session, in giving its en-dorsation to the "good roads" moveof love opened their little money banks with the result that a beautiful pillow ment as outlined by Commissioner Campbell, has yet to run the gauntwas sent, bearing the inscription "From His Playmates." A striking picture was let of the several township councils, as well as an appeal to the vote of made by a beautiful "Gates Ajar" (sent by G. Farell and brothers), which was the people. So far as known only one municipality, Scarboro, has taken any decided stand with respect to the ed a photo of the deceased. Dozens of know the reason. Such unfortunates often have stomach trouble, heartburn to accept the scheme as outlined and pathy and regrets that the "sunshine will continue to manage its own of the enighborhood" had been taken roads without regard as to what the from their midst. The child was only 11 other and outlying townships may do.

Ever since Scarboro Township adopted the commutation statute labor plan the ratepayers are said to be well sotisfied with the scheme, and refuse to the deceased showed their last deference to the deceased showed the deceased showed their last deference to the deceased showed the deceased sho to go back to what they regard as ence to their little friend by marching in the obsolete system which hitherto solemn procession from the home to the living east of prevailed. The roads are greatly improved over a few years ago, and al-COUNCIL CHAMBER, May 7.—Peritions for sidewalks were plentiful at the ment. W. H. Pugsley, reeve of Rich-mond Hill, who, when the motion for council council meeting yesterday. M. Hannah wished his laid on Birch-avenue, and he was promised that his will

scheme, and among the nearby muni-cipalities Markham and King are thought to be favorably dis-thought to be favorably disthought to be favorably discost of same, so that the ratepayers posed. Incorporated towns and vilpart of the expense. They were promised a grant, but nothing further.

The ratepayers of U. S. S. No. 3, Etobicoke, asked for the appointment of an arbitrator to act in conjunction with Etobicoke, to dissolve the union section. The petition was not legally drawn out and was referred back to the ratepayers.

The school trustees of S. S. No. 25, Hillcrest, applied for an advance of \$5000 on the debentures pending to be sold, to go on with the building operations. The council advanced them \$3000 on their levy for this year.

Twenty-three ratepayers asked for a plank sidewalk on the east side of Howland-avenue, from Davenport-road to the C. P. R. crossing.

Mr. Miller asked for a sidewalk on Somerset-avenue, Dovercourt. The sidewalks were referred to the respective committees.

A large deputation from west of Toronto Juction, neaded by ex-Reeve Syme, asked for several improvements as to sidewalks, road improvements and lights

saying fhat the members of the Church of Christ, on the corner of Alice-avenue and Vaughan-road, have constructed a sidewalk and bridged two ditches, for which they applied for a rebate of \$15.

R. P. Johnson and J. E. Booth are preparing to build stone and brick residences in Moore Park, on each side of Rose Hill-avenue, and asked the council for an extension of sewer from Grace terrace easterly about 200 feet to Constance-avenue.

Editor World: In a few days on the 16th and 17th of the present month a peace conference will be convened in the City of New York, to discuss the the City of New York, to discuss the principles of arbitration as a substitute for war in the settlement of all international disputes, and this peace conference is only a public prelude to the international conference, which will assemble at The Hague in June. In the interests of peace and the welfare of humanity of all nations and races, you will kindly allow me thru. The World to point out to the general public the proper sphere of arbitration and the only true method of securing a universal peace thruout the world, and the sphere is neither at The Hague nor New York conference hall. For it must be remembered that there are but two systems of governthere are but two systems of govern-ment as worthy the name recognised by all civilized mations, and these systems are known by the name of imperialism and republicanism, and

republicanism on the "rights of party," mitted. Republicanism on the other hand holds by means of a shirt sleeve diplomacy and the people examine the deal in progress and party exigencies compe ratification of the wrong before the harm begins. In both cases the people are the unwilling spectators and have to provide the funds to execute

School for boys, and the Mimico Asylum, would seem to the general public why this servile sys-tem called government has been tolerated for centuries; and the only possible answer seems to be that the moral and political law of nations is based on too high and too low a level. The ethical teachings of nations out of reach of the ordinary people, and superstition placed as a stepping stone to the lofty and fictitious moral, and the political law of nations being based on the sacredness of vested rights The efforts of the dairymen to secure and rights of party are the sentiment-supplies were not entertained. On Mon- al laws that ostracize the general pubday one producer did ship two cans to lic and make them servile sycophants the Osgoode Dairy—of pure spring water.

The ardor of the receiver must have the mind of the great majority of been considerably dampened when he mankind that government is a political combination, a craft and that all cal combination, a craft and that all connected with the trade must be initiated into the craft by the oath of subjection, and that the sole object of government. government is to get control of the public revenues. For, if there were
