

Delirium from drink is dangerous; Resolvent is a certain cure.

### SAVED FROM DEATH.

RED LAKE, BRULE CO., DAKOTAH, January 24th, 1884.

DR. RADWAY: *Dear Friend*—I feel myself obliged to give you the thanks I owe to you. I do not know you personally, but I know your excellent medicines which carry their names with the greatest right. Without flattering you, they are the only medicines a man should buy.

Who in the world could buy my wife from me? Nobody, nobody; but death, that nearly had her, could only take her from me. RADWAY'S REMEDIES have saved her and cured her of the greatest pains she had while struggling with death; only a short time after using the medicines she was relieved of all her terrible pain. Yes, your medicine is all that I have to thank.

Since that time Radway's medicines are always in my house, and I always will honor them.

The whole neighborhood was astonished at such a medicine. Nobody here could advise me; but one told me that his father had used a medicine, but could not recollect the name; he only knew that there was R. R. R. on the bottle. I at once sent him on horseback to the next drug store, and he actually asked the druggist as he had told me, and the druggist understood at once what he wanted; my man returned in a short time with the medicine and told me the druggist had said that this medicine was stronger than death, and all pain must disappear in a short time; and so it was, God have thanks. This medicine has come into my house and I will always keep it; and I advise everybody to keep it in his house, as it may be too far, sometimes, to go to a druggist to get it while one of his family suffers in the greatest pain during that time; therefore I advise, again, everybody to keep it always in the house. Respectfully yours,

[Translated from the German.]

GEORGE GIPPERT.

### OLD FAMILY STORES.

JACKSONVILLE, TENN., January 23d, 1884.

RADWAY & Co.: *Sirs*—Please send me a price list of your medicines at wholesale prices. My experience with the R. R. R. preparations proves to my satisfaction that they are just what is claimed for them. My grandmother used the Ready Relief, thirty years ago, with the most satisfactory results, and my mother has constantly kept a supply of Ready Relief and Regulating Pills for twenty years with increasing confidence in their efficacy.

Mr. John T. Foster, of Nova Scotia, once divided a bottle of the Ready Relief with my grandfather, some thirty years ago, and stated that he would not be without it. Your medicine has been a favorite with my people ever since.

In 1875 I became the victim of Chills and Rheumatism, which by neglect became chronic. The Ready Relief seemed to alleviate the pain, but I found that I must use a Constitutional Remedy, for my Lungs, Nerves and Blood were all out of order, so I secured two bottles of the Sarsaparillian Resolvent, which, in connection with the Ready Relief and Regulating Pills, wrought such a change that I felt restored to health and strength.

Respectfully,

S. L. LOUDERMILK.

### Reported to Radway & Co.—An Interesting Case.

I hope you will bear with me while I relate another remarkable case of the virtue of your Resolvent. When in Hamburg, Iowa, which was 12th of June last, I replenished my stock of remedies at that point. There was quite a little crowd around seeing me at work. A gent in the crowd says: "That is a very good thing you have got there." I asked him if he had ever used any of it. He said yes, he had used it, and knew quite well what it had done for him. He then stated that he had been afflicted with what the doctors called *Urinary or Renal Calculus*, or gravel in the kidneys; that he had tried various doctors; that they all failed to give him any relief, and that he had also tried various medicines without any benefit, and that he was at last induced to try your Resolvent, and that he was a well man that day. He gave me his signature, and said if Dr. Radway wanted to make use of his name he could do so. His name is R. A. Shaw, Columbus, Ohio, advance agent for Forepaugh's Show and Menagerie.

Yours truly,

J. GILLISPY.

MARTVILLE, MARSHALL CO., KAN., Aug. 15th, 1877.

Mr. Shaw had passed a mulberry calculus. In its track from the kidney to the bladder it occasioned great pain, passing through the ureter.

R. & CO.

He that intends to live long and healthy must not vomit often.

Consumption is most fatal between the ages of twenty and forty.

Acute maladies determine themselves within fourteen days.
