Just as the Sultan found difficulties in tory will become synonymous with recognizing the change from President "The tennis court" of the French revolution. Even Count Heyden, the that Finland in future Russian his-

to formally set up its authority against Private information about the encounter that of the Government. The Consti-on July 6 between Turkish and Persian tutional Democrats and intellectuals, troops on disputed frontier territory, shows that it was much more serious generally recognize that they have no weapon with which to fight the

> This the Social Democrats and the group of toil in Parliament all along orate preparations have been made to repeat the tactics of last fall and paralyze the country with a general strike; but the plans at this time have been perfected with much more deliberation and involve not only the paralysis of cities, telegraphs, railroads and all means of communication throughout the empire, but a complete strike of peasants in the country as well. They confidently believe the

While M. Stolypin, who succeeds M. Goremykin as premier, undoubtedly is much stronger man than his pre decessor, he probably will be unequa wonderful growth in all kinds of grain to the task of piloting the country during the past two weeks. There is through the revolutionary upheava not one exception, and crops every- which is just ahead, and the general where are in prime condition, and are belief is that a dictatorship must com-

ed to be late by two weeks is now it will somewhat appease the peasheaded out and will be ready to har- ants and give the Government a mavest on time. This is surely a wonder- jority in the next Parliament. Perhaps the most remarkable feature of the events connected with the dissolution of Parliament is that

Foreigners Crowd Trains. No word of official warning was received even by the representatives of Russia's ally, France. The only intiwheat from the material that Alberta sulates shortly after midnight, but this morning, immediately after the guards had been stationed notes were sent explaining the measures taken to protect the foreign representatives. To-Scarffe, who has been in the employ night the trains are filled with foreign-
