output over \$1,800

brought a general relaxation of trade conditions for patriotic effort, it is pointed out that:

"In spite of the fact that some millions of men are on active service, the startling fact has been made plain that the country as a whole has a bigger aggregate output than ever. America and Germany have, during the last quarter of a century, been working at the very end of their tether. Great Britain has put forth only a tithe of her strength."

It does seem that there was some little modicum of truth in the German looking envelope and ran her eye raplooking envelope and ran her eye

URGING IMMEDIATE opening, or submarine warfare against the Entente

gradually before a full day's work was required of them, it might lead to less misunderstanding and more satisfactory results for both sides. They cannot be expected to compete with men in the best of physical condition who have not undergone the strains of war; they must not be allowed to grand the pleading of the submarine warfare? It knows well that the pleading notes of war; they must not be allowed to proved a success and promised to assist of them. The plant is advisers. Had the campaign provide a success and promised to assist of them. Britain MAY find effective defences! To what does this German paper attribute the siackening of the submarine warfare? It knows well that the pleading notes of his wonderful tenor. And so, when the check for a thoughn the provided and some as a port, had suddenly turned in its course, and was heading for the harbor of Career. Already grand opera was looming large, and she had visions of herself as Brunnhilde and visions of herself as Brunnhilde and visions of herself as Septiment the soft notes of his wonderful tenor. And so, when the check for a thoughn the distribution of the harbor of Career. Already grand opera was looming large, and she had visions of herself as Brunnhilde and visions of herself as Brunnhi proved a success and promised to assist other's mind that it was a heavenin bringing victory, it would have been sent. She 'phoned to Charley.

Umost-a miracle

That is what Rabbi M. Shallit of Edenbridge, Jask. says regarding a cure by Zam-Buk, of which he kives the following particulars:

"A short time ago," said the Rabbi, "a man brought his little son to me and asked if I knew of anything that would cure the child of a terrible skin disease, with which he had suffered for three years. The child's forehead, eyes and ears were covered with sores. The sight was shocking, and the child had not been able to see for two years. As he was an only child, the father said he would give anything to have him cured, but as he had ain ady been treated by many doctors, each of whom had given up the case as incurable, he had about despaired of ever finding a Having great faith in Zam-Buk, I recommended it, and to long story short, perseverance with Zam-Buk has now comple cured the child.

THE FATHER'S ACCOUNT

The following letter from the father of the boy expresses his gratit "The Zam-Buk Company, Toronto Dear Sirs: I beg to testify that my boy suffered for three years with a sev skin disease, which doctors tried to cure, but in vain. The sores on his ey were so terrible that for two years he was quite unable to see. Zam-B however, has worked a complete and permanent cure.

The Zam-Buk treatment was recommended to me by Ref. a.

Shallit, Rabbi of Edenbridge, for which I shall be grateful to him forever.

With hearty thanks to you, I remain. Yours faithfully,

(Signed) E. ROMANUK."
