## FINANCE THEIR OWN CAMPAIGN

Fifth Ward Conservatives Would Re-  
lieve the Candidate.

At a meeting of the Fifth Ward  
Conservatives in Brown's Hall, Bloor-  
street, last night, a motion was passed  
recommending that the central ex-  
ecutive enlarge the representation  
at the party convention from each  
sub-division from three to ten. A re-  
commendation that the Fifth Ward  
Conservatives raise a permanent fund  
of \$1000 a year by subscription with  
which to finance their own elections  
was submitted by the executive and  
will be acted upon at a larger meet-  
ing.

It was felt that the association could  
be more independent and would enable  
them to put up for election a capable  
man, whether or not he was able to  
bear the expense of a campaign. The  
association would have \$4000 or \$5000  
on hand to finance an election.

George H. Cowan, M.P. for Vancou-  
ver, B.C., was to speak at the meet-  
ing, but missed his train at Ottawa.

## CAPSIZED IN THE BAY

Two Men Have a Rigorous Experience  
During the Storm.

"We can hear men shouting for help  
out on the bay. Send a boat, quick."  
This message received at the city hall  
by Property Commissioner Harris at  
2 o'clock yesterday afternoon sent men  
hurrying to the bay. But it was too  
late—the men were saved!

George Gibbons, employed at the Gooderham &  
Worts distillery, had been sent out by  
the chief engineer to clear away the  
debris from the mouth of the com-  
pany's intake pipe. William Johnson  
was left to patrol the bank.

In the violent storm they had to row  
hard to make any headway, one of  
the oars was lost, and then, in an ef-  
fort to use the other as a pole in the  
shallow water, it was broken and the  
boat capsized.

Malt Akroyd was summoned by  
Johnson, who heard the cries of the  
men, but meanwhile John Festner and  
George Street secured a small boat and  
started out in the direction of the  
shouting, which came faintly thru the  
driving snow. They found the men  
submerged to the waist in the icy  
water.

## CIVIL SERVICE INCREASES "OUTSIDERS" LEFT THERE

Powers That Be Say Its Only a  
Matter of Time—Was Ottawa  
Statement a Bribe?

OTTAWA, Jan. 29.—(Special.)—In  
the house this afternoon R. L. Borden  
asked when the house might expect  
the waterways treaty, and if the mat-  
ter of the fisheries dispute had been  
submitted to The Hague tribunal.  
Sir Wilfrid replied that the govern-  
ment had on Thursday communicated  
with the foreign office in England  
for permission to release the treaty;  
as to the second matter, it had been  
agreed between Newfoundland and  
Great Britain that fisheries and other  
matters in dispute should be referred  
to The Hague.

Hon. Sydney Fisher introduced a re-  
solution for a general increase of \$150  
in the salaries of officials of the inside  
civil service under the deputy heads,  
based on recommendations of the civil  
service commission. Mr. Fisher at  
great length explained why he would  
benefit. Under the new classification  
of last session 59 received increases of  
11 per cent. Under this resolution 2695  
receive increases of \$150 a year, the  
average increase being 13 per cent.  
Thirty-five are not benefited in any  
way. Under the new classification the  
increases total \$39,000. The resolution  
provides for increases totaling \$347,000;  
a grand total of \$386,000. The civil ser-  
vice commission recommended a gen-  
eral increase of 12 1/2 to 15 1/2 per cent.

Mr. Borden pointed out that every  
argument in favor of increases for the  
inside service was equally an argument  
for increases for the outside service.  
The statute made a clear distinction  
between the two branches of the ser-  
vice, but the cost of living did not. The  
government ought to bring down the  
circular distributed among the civil  
servants of Ottawa bearing the signa-  
ture of the junior member for Ottawa  
and endorsed by the prime minister,  
so that the house might know whether  
the promises made to the electors were  
being implemented in the resolution.

"You wouldn't really expect that?"  
laughingly queried Mr. Fisher.  
"Perhaps not," replied Mr. Borden,  
"for I would think that the hon. gen-  
tlemen would be thoroughly ashamed of it."

Mr. Cowan (Vancouver) was pre-  
pared to show that in four years the cost  
of living in British Columbia had in-  
creased 47 per cent.

Sir Wilfrid Laurier stated that it  
was the intention to reform the outside  
service also.  
As to Mr. Borden's suggestion that  
the promise to the electors of Ottawa  
in the campaign was a bribe, Sir Wil-  
frid said it was the intention to  
introduce the resolution last year  
and to date the increases from Sept.  
15. But now Mr. Borden said it was a  
bribe. It was not safe to make that  
charge in the election campaign. The  
outside service must come under the  
reform, but one thing at a time.

Mr. Foster scoffed at the suggestion  
that the government had no time last  
year to bring forward the salary in-  
creases. If the increases had gone thru  
last session, the civil service would  
have been placed on the level of inde-  
pendent men with their rights deter-  
mined by statute. Sir Wilfrid had by that  
bribe to electors established the right  
to enter at every political and public  
virtue.

Hal. B. McGivern, junior member  
for Ottawa, failed to see that the  
statement he made to the electors in  
Ottawa was a bribe. The Conserva-  
tive candidates had promised to use  
their endeavors to see that the re-  
commendations of the civil service com-  
missioners were carried out at once,  
and said they had "the assurance of  
their leader that they would do so."  
"That may not have been a bribe  
because it was too much of a bluff,"  
said McGivern.

Dr. Barr also argued for better pay  
for outsiders, and Dr. Spry continued  
the discussion, the house going in-  
to committee shortly before 8 o'clock.

Mr. Borden's Denial.

R. L. Borden, rising to a question  
of privilege, quoted an editorial in  
The Globe, which complained that he  
had allowed three months to pass  
without repudiating the faked telegram  
in The Victoria, B.C., Colonial, re-  
presenting him to be in favor of the  
"absolute exclusion of Asiatics." It was  
not till his return from the south,  
that his attention had been called to the  
matter. He had written to The Colo-  
nial which had replied that no one con-  
nected with the management was re-  
sponsible, and he was awaiting the re-  
sult of further enquiries.

## A WOMAN'S BACK WAS NOT MADE TO ACHE.

Thousands of Women Suffer Un-  
told Misery Every Day With  
Aching Backs That Really Have  
No Business To Ache.

Under ordinary conditions it ought to be  
strong and ready to bear the burdens of  
life.

It is hard to do housework with an aching  
back. Backaches come from sick  
kidneys, and what a lot of trouble sick  
kidneys cause.

But they can't help it. If more work is  
put on them than they can stand it is not  
to be wondered that they get out of order.

Backache is simply a warning from the  
kidneys and should be attended to im-  
mediately so as to avoid years of terrible  
suffering from kidney troubles.

Doan's Kidney Pills will cure you in the  
same way as they have cured thousands of  
others.

Mrs. O. Warren, Radis-  
son, Sask., writes: "I  
was troubled with  
severe pains in my  
back for years. I tried every-  
thing I could think of  
but they did me no good. A friend told  
me about Doan's Kidney Pills and after  
taking two boxes, I have not been troubled  
since."

Price 50 cents per box, or 3 for \$1.35,  
all dealers or mailed direct on receipt of  
price by The T. Milburn Co., Limited,

### Straight Talk on Danger of Colds

Let your cold gain headway and you  
can't keep it from running into Cat-  
arrh.

Catarrh never stays in the same  
place—it travels down into the lungs,  
then it's too late!

Drive colds and catarrh right out of  
your system while you have the  
chance.

Easily done by inhaling Catarrhozone,  
which instantly reaches the true  
source of the trouble, gets right where  
the living germs of Catarrh are work-  
ing.

### Catarrhozone

A Convenient Inhaler Treatment  
Is the Proper Remedy to Cure.

You see Catarrhozone is simply heat-  
ing balsams and rich pure essences  
and is able to patch up the sore spots  
and remove that tender sensitive feel-  
ing from the nose and throat.  
Hawking and spitting cease, because  
the discharge is cured. The nostrils  
are cleared, headache is relieved,  
breath is purified. Every trace of Cat-  
arrh, bronchial and throat weakness  
is permanently cured.

Shun medicines that contain harm-  
ful drugs—use a safe remedy that is  
prescribed by doctors, that is used in  
hospitals, that is endorsed by thou-  
sands Catarrhozone has cured. For  
winter ills, there's nothing half so good.

### LICENSE DEPT. SCOOP IN 35 IN SUDBURY DISTRICT

75 Charges of Illegal Selling  
Proved on First Day of Hear-  
ing of Numerous Cases.

SUDBURY, Ont., Jan. 29.—(Special.)—  
Sudbury last night. The long arm of the  
liquor license department fell upon the  
district of Sudbury and gathered in 75  
keepers of "blind pigs," dives, board-  
ing-houses and hotels.

The drag net has been drawn thru  
the entire district by half a dozen pro-  
vincial detectives, directed by Chief  
Inspector Morrison of Toronto, during  
the last 15 days. Illegal liquor-selling  
has been rampant thruout the district,  
but evidence appears to be hard to  
secure.

The hearing of the cases opened this  
morning before Magistrate Brodie.  
John Bidgood, proprietor of the Palace  
Cigar Store and Bowling Alleys, Sud-  
bury, is held on six separate counts,  
four of illegal sale of liquor, one of  
keeping a gambling resort and one for  
the sale of obscene photos and post-  
cards. Per selling liquor he was con-  
victed and remanded for sentence,  
the other charges coming up next week.

To-night hall was arranged in \$200.  
G. Canisprare, a boarding-house keep-  
er of Sudbury, was convicted on two  
charges and faces a third charge.

Delphis Thibault, proprietor of the  
Alpina Hotel at Chelmsford, pleaded  
guilty to selling liquor during prohibi-  
tion hours and paid a fine of \$50.

At the end of the first day's proceed-  
ings 75 convictions had been recorded,  
with only one acquittal.
