University Alumnae Christmas Ba-zaar-Convocation Hall, afternoon and doubt that Rugby is the safer game." G. J. Geer, a former tackle at Prince-ton:—"As a kicking game Rugby far surpasses the American article. I be-lieve Rugby would be a good game for smaller colleges and high schools, where those participating are frequent-ly raw recruits. The open play and frequent kicking furnish suggestions for the elimination of some objectionable features of our game." Forwards Not Active Enough.

Lieutenant H. M. Nelle, U.S.A., coach at West Point:--"The best points I can see in the Canadian game are the

numerous long passes and the great amount of punting which has been de-veloped to a high degree of efficiency. The way the men are permitted to hold their opponents with their arms is bad, sp.m. and would never do in our game. The Mea

University, liked the Canadian rule against interference, and was of the belief that its adoption would make the

American game safer and better, Frank Woodworth's Views.

He came here about four years ago from Toronto, where he established the Stewart Confec-tionery. Compary. Mrs. W. J. Hammond, Hamilton, Ont.,

Mrs. W. J. Hammond, Hamilton, Ont., writes: "I beg to say that I have used Dr. Wood's Norway Pine Syrup for my youngest girl who was troubled every winter with bronchitis and very severe colds. At night she would keep us all awake with her coughing until I tried your Syrup, which gave her instant relief. After the first bottle was finished I got more, and always kept a bottle in her room at night. Dr. Wood's Nor-way Pine Syrup is certainly a wonderful thing in a case like the above mentioned and no one can praise it too highly. I have taken every opportunity to recom-mend it to all my friends and relatives." There is nothing to equal "Dr. Wood's' where he cauge should the Stewart control tionery Company. Ernest Deroslers.
