With a run of nearly 1200 cattle on the Union Stock Yards market yesterday. the Union Stock Yards market yesterday trading for practically all classes was anywhere from 50c to 75c stronger, propally around 50c per swt. would be nearly er the mark. The tone thruout on all classes was greatly improved over the close of last week. At that there was a good clean-up. The good to choice tutchers, especially were in demand, as shown by the fact that Jos. Wilson for the H. P. Kennedy, Limited, sold a straight load of 25, averaging 1000 lbs., at \$13.75.

The outlook for the balance of the week is for steady prices. The outlook for the balance of the week is for steady prices.

In the sheep, lembs and calves the market was steady, lambs selling from 18c to 20c, and a little better; sheep, 9c to 11c; calves, 18c to 22c.

The hog market is stronger and more active, and the packers are trying to buy them on the 171/2c to 111/2c basis as a matter of fact—a good many sales

OVER BY-ELECTIONS Ottawa, Feb. 16.—The creation of a fourth vacancy in the house of commons by the death of David Marshall, member for East Elgin, has aroused considerable speculation in political circles as to the probable dates of byelections. Two of the constituencies Kamouraska and Temiskaming, have been vacant for some time. There is a rumor that writs for these and possibly also for St. James, Montreal may be issued before parliament meets. No official announcement is to hand, however, beyond that of Sir George Foster some weeks ago, that writs for Kamouraska and Temiskaming-the only seats then .vacantwould be issued in due course.
