THE EVENING TIMES, ST. JOHN, N. B., SATURDAY, NOVEMBER 16, 1907.

TOTHING can equal the satisfaction there is in offering to your guests a satisfactory form of entertainment, one that takes care of itself, which does not interfere with other forms of amusement, but rather helps them. Such an entertainer is the Edison Phonograph.

It can amuse the guests

by rendering music, popular or classic, or it can aid them by furnishing dance music, marches and other things played by the best orchestras and brass bands. It costs less than the hiring of even a small orchestra for a single evening's entertainment.

Don't be without an Edison Phonograph if only for the sake of your friends. Hear the new model with the big horn at the nearest Edison store, or write for a booklet describing it.

> We Desire Good, Live Dealers to sell Edison Phonographs in every town where we are not now well represented. Dealers having established stores should write at once to

AT THE NICKEL

Excellent Picture Programme for the Children Today.

This is children's day again at the Nickel and it will be a most enjoyable one, too. Mr. Cairns is going to sing that delightful song, School Days, telling all about a little boy and girl of years ago and their growth to manhood and womanhood. Then here will be that long, interesting pic-ure taken in Sicily, in the Mediterranean ea, showing the natives catching fish eighing 1,000 pounds or more—hundreds them-and cleaning them, cooking them

of them—and deaning them, cooking them and canning them.

Besides this fine educational feature, there will be one of those colored pictures with lots of mysterious photography in it, and three very funny pictures entitled My Mother-in-Law Is An Angel, A Free Lunch Farce, and In Love With the Coal Man's Wife. Tonight Mr. Newcombe will sing Pale, Dear Old Pals.

Ralph Wordly made a big hit in the comedy part, and he was recalled again and again for his songs. The Sours introduced a new feature, a trapeze act, which was decidedly clever The Armitage sisters also delighted with their songs.—Halifax Herald.
