NOTICE.

NOTICE.

One of their Body to the United States for the purpose of engaging a competent Engineer to prepare (from actual survey of the site.) a suitable plan of a BRIDGE, with the necessary Specifications,—Notice is hereby given of their intention to proceed with the work as early in the Spring as possible. As soon as an approved plan shall be received, they will advertise for Tenders for building the entire Bridge, or the workmanship only; also for parts of the sune, including or exclusive of the Materials.

It is deemed advisable to give this notice on account of the approach of the season when materials must be provided to enable those who may feel inclined to tender for the whole or part of the Bridge to examine the site, to ascertain the price of labor, timber and stone, and the nature and extent of the undertaking, previously to the setting in of Winter. As soon as possible notice will be given in the same Newspapers containing this advertisement, of the specific nature of those Contracts for which Tenders will be received.

By order of the President and Board of Directors.
