We appreciate very highly the interest taken by himself and Mrs. Tate in the management of this new branch of work; and we hope that, as they will now be free from the care that has rested upon them for the past two years, they may have increased blessing in their general missionary work, and have the satisfaction of seeing our ladies well established and successfully carrying out the designs of the institution."

"That this Board of Managers of the Woman's Missionary Society desires to express its hearty thanks to the Board of Missions of the Methodist Church for the favor of allowing Rev. C. M. Tate to spend so much time in the superintendence of the erection of our Home and School for Indian Children, at Chilliwhack, B.C. It is hoped that this institution, without being a further tax on him, will prove a great blessing to the mission station of which he has charge."
