

OBJECTS TO CITY'S SELLING CURRENT IN LANCASTER PARISH

Power Company's Protest Referred to Mayor and City Solicitor

The City Council yesterday received from the New Brunswick Power Company a complaint that the City Power Commission was selling current in the Parish of Lancaster, contrary to law. The council referred the matter to the Mayor and city solicitor. The council also accepted the bid of B. Mooney and Sons for paving blocks for St. James street, authorized the laying of a cast iron water pipe on west side and allowed in part the appeal of the McLaughlin Motor Car Co. Ltd. against its assessment.

Tax Cases

Messrs. Barnhill, Sanford and Harrison wrote on behalf of their clients, The Barrett Co., appealing from the 1924 assessment of the company. This was referred to the Mayor to arrange for a hearing.

The following motion, prepared by the city solicitor, was moved by Mayor Pettit and carried: Resolved, that the appeal of the McLaughlin Motor Car Company, Limited, be allowed as to the assessment upon income for the years 1922 and 1923 and disallowed as to the assessment in respect of real estate for those years.

His Worship remarked that he hoped this would clear this matter up. On motion of Commissioner Bullock the grand jury of C. Cohen for a lot at the head of the west side ferry slip was made \$17 per month from Aug. 1, 1924.

Awarded Paving Block Contract

On motion of Commissioner Bullock it was decided to replace the present eight-inch water main leading to sheds 5 and 6 with an eight-inch cast iron pipe at an estimated cost of \$600, payable from harbor revenue.

Commissioner Frink reported that he had received bids from B. Mooney and Sons and the Granite Street Paving and Construction Co., for granite blocks, the former quoting \$95 per thousand for straight blocks and \$145 for none straight blocks and the latter \$99 per thousand for the straight and \$158 per thousand for the none straight. On his motion the bid of B. Mooney and Sons was accepted.

A bill of \$281.85 for the new carpet in the Mayor's office was ordered paid.

In the Bureau of Standards, in Washington, a complete set of weights and measures is kept in sealed cases.

MURDER! Girl Sees Lover Choke Rival.

Sitting at the wheel of an automobile, Florence Kinney, 19 (above), saw her sweetheart, Emil Zuke, farm hand and factory worker, kill Cora May Rober, whom Zuke had also promised to marry. After Zuke had strangled the Rober girl to death Miss Kinney helped remove the body from the car and waited while the members of which spent the year in different institutions, were united once more for the day. They were given a royal treat during the afternoon, and in the evening a delicious supper was served. The programme of sports resulted in nearly every contest receiving a prize. The prizes were watches, fountain pens and larger story books, particularly Boys Own Annuals and Girls Own Annuals.

The girls' races were won by Geraldine Caples, Stella Corcoran, Veronica Murphy, Annie Dibble, Mary Doyle, Gladys Morris, Harriet Fleet, Ethel Harrington, Mildred McNamara, Agnes Harrington, Alice Burns, Margaret Stevens, Beatrice Mossion, Josephine Isaacs, Evelyn Veneau, Mary Fenton, and Mary McGrath.

The boys' races resulted in wins for the following: Harver Mullin, Joseph Gauthier, Thomas Lenihan, Maurice Humphrey, Joseph Murphy, Michael Walton, William Burns, and Frank Cameron.

The children were taken to and brought from the grounds in automobiles.

CATHOLIC ORPHANS ARE PICNIC GUESTS

A revival of an old custom took place yesterday when the Catholic orphans of St. Patrick's Industrial School, Silver Falls, and the girls of St. Vincent's, Cliff street, were guests of a large committee of Catholic men and women, drawn from the different parishes of the city, on the grounds of St. Joseph's church, Loch Lomond.

The occasion was a particularly happy one as many of the little orphaned families, the members of which spent the year in different institutions, were united once more for the day. They were given a royal treat during the afternoon, and in the evening a delicious supper was served. The programme of sports resulted in nearly every contest receiving a prize. The prizes were watches, fountain pens and larger story books, particularly Boys Own Annuals and Girls Own Annuals.

The girls' races were won by Geraldine Caples, Stella Corcoran, Veronica Murphy, Annie Dibble, Mary Doyle, Gladys Morris, Harriet Fleet, Ethel Harrington, Mildred McNamara, Agnes Harrington, Alice Burns, Margaret Stevens, Beatrice Mossion, Josephine Isaacs, Evelyn Veneau, Mary Fenton, and Mary McGrath.

The boys' races resulted in wins for the following: Harver Mullin, Joseph Gauthier, Thomas Lenihan, Maurice Humphrey, Joseph Murphy, Michael Walton, William Burns, and Frank Cameron.

The children were taken to and brought from the grounds in automobiles.

Reduced Fares for Toronto Exhibition

For the Canadian National Exhibition, Toronto, August 23rd to Sept. 6th, reduced fares will prevail on the Canadian National Railways, particulars of which will be furnished by all Ticket Agents. The going dates will be from August 22nd to September 6th, and the return limit is Sept. 10th.

This is a splendid opportunity for those desiring a trip to Montreal and Toronto at a very pleasant time of year. The Toronto Exhibition is the largest annual fair in America, and this year there are many attractive features. Via the Ocean Limited and Maritime Express there is the finest rail service from all Maritime Province points, and the most convenient connections with the fast through trains of the Canadian National Railways between Montreal and Toronto.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas On Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say, medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and suffers should do either one of two things: either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bismarated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antacid than Bismarated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is, not a digestant. But a teaspoonful of the powder or a couple of five-grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevents its further formation. This removes the whole cause of the trouble and the meal digests naturally and heartily without need of peppin pills or artificial digestants.

Get a few ounces of Bismarated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and in the dissolved form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat."

GERMANY LIFTS LID ON WHIPPED CREAM

Berlin, Aug. 17.—(By mail)—The people of Berlin are today reveling in whipped cream. During the war, and for a long time thereafter, this luxury of the table was unknown in Germany, so much so that the young generation did not know what the words meant.

But recently it was found that there was enough milk and honey to satisfy a revived demand, so all restrictions were removed at the request of the confectioners.

The demand for the frothy, white delicacy has exceeded even the fondest hopes of the most optimistic dealers.

Minneapolis, who, born a peasant boy in Norway, eventually attained high honors as a member of the United States Senate, was unveiled recently at his birthplace, the little village of Evanger, in the County of Voss, funds for the memorial, a stone obelisk bearing a bronze plaque, were contributed by the Young Peasant People's Society.

NEWS NOTES OF BAPTIST INTEREST

The following items are from the Maritime Baptist: Rev. Wellington Camp of Campbellton is spending his vacation in St. John, making his home with his daughter, Mrs. Keith. Mr. Camp long ago learned the secret of bringing cheer to those with whom he comes into touch.

After 22 years' strenuous and successful service as superintendent of the Anti-Saloon League of the State of New Hampshire, Rev. Joseph H. Robbins retired from that office on Aug. 1. He will make his home with his son, Rev. Joseph C. Robbins, D. D., at Pelham, N. Y.

Among recent preachers in Baptist churches of St. John have been Rev. George D. Hudson of Canada, N. S., and Rev. George F. Bolster of Harland, N. B., all of whom have preached in the Victoria street church. Mr. and Mrs. Hudson spent a short time visiting among the homes of these people, to whom they formerly ministered. Needless to say that rays of sunshine accompanied Mr. and Mrs. Hudson in all their visits. Rev. J. H. Jenner of Lexington, Mass., is preaching to his former charge, Charlotte street, St. John, during the month of August. He, too, is being warmly welcomed by his former friends.

The daily papers announce that the Rev. E. H. Cochrane has resigned the pastorate of the Highfield street church in Moncton. Mr. Cochrane has served this church as pastor for 12 years, during which there has been great development. There has been about 500 additions to the membership of the church. The church has been led into a commanding place among the churches of our convention. The work of the Sunday school has been greatly enlarged. Two years ago the church undertook and brought to a successful issue a fine new and modern church building, affording excellent facilities for the enlarged work. Mr. Cochrane has, during all this time, taken a deep interest in the general work of our denomination and filled positions of trust therein. We earnestly hope that Mr. Cochrane's services may be retained among us.

The following telegram received from Secretary Stillwell on Wednesday afternoon last calls for no explanation: "Mrs. Churchill passed away Tuesday evening peacefully at nearly 84. Obituary later." Mrs. Churchill was one of "The Serving Seven" who went out to Burma and thence to India in 1873. She put in many years in pioneer service before finally returning to reside with her daughter, Mrs. Stillwell, in Toronto. She lived to share in the jubilee of the Teigu Mission. She has now gone to her coronation. Others who have gone to her coronation. Others who have gone to her coronation.

ASTHMA INSTANTLY RELIEVED A Guaranteed Remedy

All druggists here or every druggist in Canada, as a matter of fact, is authorized to sell Asthmador or Asthmador Cigarettes on the positive guarantee that if it does not give almost instant relief, even more, if it is not found absolutely the best remedy ever used for Bronchial Asthma, difficult breathing or the asthmatic symptoms accompanying Hay Fever, money will be refunded by them without question.

Sufferers who have not already tried these remedies can rely on the genuineness of this guarantee, as being backed up by their own druggist, in case it should fail. The more severe, violent or obstinate the case, the more will Asthmador be appreciated and prized, after its first trial. The percentages of success in relieving promptly are so small that the manufacturers have no hesitancy in announcing this guarantee and refunding, cheerfully and anxious to refund to the infinitely few sufferers who do not obtain relief, as neither they nor the druggists who sold the package want your money, if not relieved. Read the guarantee on the label.
