Coal Points

That Spell Economy in Anthracite

The money value of Coal lies in its heating power in which our American Anthracite is especially rich.

The heating parts of Coal are carbon and volatile matter; the waste matter is ash, including clinkers, stone, etc., which keep it from burning, and ordinarily, increase its cost through excessive expenses in cartage for its removal from your home.

CONSUMERS' COAL CO'S AMERICAN ANTHRACITE

differs from ordinary kinds of coal in the very small quantity of ash it contains, having greater heating power than you usually find in Coal, and, for this reason, is the most economical coal to use, this having been proven by experience over and over again.

Now is the time to lay in your coal for next winter. Lay in OUR AMERICAN ANTHRACITE COAL, GUARANTEED TO SATISFY.

ASK FOR SUMMER PRICES.

CONSUMERS' COAL CO., LTD.

D'Arcy, 287 Tower street, West. 99360-5-20

Express Strikers Return.

New York, May 13—The 9,000 striking employees of the American Railway Express Company at a meeting yesterday voted unanimously to return to work today and leave adjustment of their grievances to their committee and officials of the labor department of the railroad administration.

"Everything comes to him who waits." "Maybe, but that's a mighty poor way of getting things."—Detroit Free Press.

CLOTHES

WITH A MESSAGE

The young man of today is freshened in spirit and doubly ready for the great adventure of living.

He knows how much his ability is measured by his regard for appearance. He shows his fellow workers that he is up to the minute in thought and action—that he is ready for bigger and better things.

20th Century Brand and our other fine makers have prepared for the young men renewed by the events of war a virile, buoyant style of clothes, reflecting the vigor of the present-day man who looks the world fairly in the face.

Ready for wear, \$20 to \$50.

Gilmour's, 68 King St

10 per cent. discount off soldier's first outfit.

4—SHE WAS EARNING a good salary—and spending it. Never thought of old age. Now she is kept by a relative. You know the rest of the story. An Excelsior Endowment maturing at 50, 55 or 60 would have avoided this unhappiness.
