How About Your Curtain Want This Year?

No doubt there is some room that needs re-curtaining. Wouldn't it be a good idea to buy them from a firm that gets their Curtains direct from the factory, pays spot cash for them and gets all discounts? These advantages go to the buyer, all we ask for is a fair and reasonable profit. That is why customers tell us that these \$1.00 and \$1.50 Curtains are equal to those shown by others at \$1.25 and \$2.00.

Our prices run from 50 cents a pair up to \$8.50. Those imitation Applique Curtains at \$2.89 are very attractive. They are double threaded, extra good weaves, are finished top and bottom, 60 inches wide, 3 1-2 yards long. Many of the Curtains we are showing are double bordered so that they can be reversed. This means that the curtain will wear just twice as long as the single bordered curtain.

BODY OF MR. OBORNE TO BE CREMATED

Montreal Railway Stations Are in Mourning—Preparations for Arrival of Body of Mr. Hays

(Montreal Herald.) Two of the city railway stations—the Bonaventure and the Windsor street—were draped in mourning today.

In the Bonaventure preparations are being made for the reception of the body of Charles M. Hays, late president of the Grand Trunk, which arrived at Halifax today by the morgue steamer Minia, and will be brought to Montreal by special train. A platform has been built, from which the casket will be lifted from the car. By the time the body arrives the station will be in a complete garb of mourning. Mr. Hays' remains have been embalmed aboard the Minia, and will be transferred to the train immediately upon the arrival of the steamer at Halifax. The funeral will take place in Montreal and the remains will be interred here. The funeral will not be a public one. Only the relatives and business associates of the late railway president will attend.

The special car containing the remains of James Osborne, general superintendent of the British Columbia division of the C. P. R., arrived at the Windsor street station this morning on the Winnipeg train at 8:35. Mr. Osborne died at Vancouver on Wednesday last of erysipelas.

Mr. Osborne's remains will be cremated. They will be taken from the station at Mount Royal cemetery at 2:30 o'clock this afternoon. Rev. J. J. O'Rourke, pastor of St. James, will perform the burial service at the cemetery.

From Calgary east the steamer car received floral tokens at almost every station of importance. These had been wired for by the late Mr. Osborne's friends on his late division. Other elaborate floral tributes were added here.

Mrs. Osborne and the other members of the family, as well as Dr. Elliot, accompanied the remains across the continent. C. F. H. officials met as far east as St. John, and from as far west as Lake Superior are in the city to attend the funeral this afternoon.

Those of the late Mr. Osborne's own rank are Wm. Downie, of St. John, superintendent of the Atlantic division; J. T. Arnold, superintendent of the Ontario division; George Hodges, superintendent of the Eastern division; and J. J. Seely, superintendent of the Lake Superior division.

WANT MORE PAY. A matter of different between some of the men working in Stetson & Cutler Co's mill in Indian town and the employers regarding the question of wages is now being considered, and the result will probably be definitely known in about ten days. Two of the men quit work on Saturday because they thought they were underpaid, and later an effort was made to have them return to work. One of them had joined the staff of another concern. Some of the other employees are now looking for an increase in wages, and the matter will be considered by the company.

SOCIETY LEAGUE. A slight change has been made in the schedule arranged for the Inter-society Baseball league. Instead of opening on the 22nd of this month as was at first intended, the first game will be played on the 16th. The contesting teams will be the St. Peter's and St. Michael's, and they, with the Father Mathew teams and the M. B. A. 482, will comprise the league.

Several of the members of each team were on the grounds in the rear of St. Peter's church last night and were busily putting them in condition for play. They made quite an improvement in the few hours they were at work, and will complete their task this week. Much interest is being taken in the league. Some strong material has been signed, and there is promise of a lively and close fight for stellar honors.

TRY TO GET CRIPPLED ULTONIA FROM HALIFAX TO QUEBEC DRY DOCK

Part of Tail Shaft and Propeller Lost—Niobe Occupies Halifax Dock

Halifax, N. S., May 7.—(Special)—Divers made an examination of the Cunard Liner Ultonia yesterday afternoon and found a portion of the port tail shaft just inside of the tube broken off, causing a loss of the propeller with that portion of the shaft.

This will make it necessary to have a new tail and propeller. The shaft could be procured here, but the propeller will have to be brought from the other side. Another examination will be made today to see if the shaft tube can not be plugged and capped to enable the steamer to proceed on her voyage to Quebec, with one propeller. The examination will go on to determine if this can be done without removal of cargo.

The Ultonia could go into dry dock at Quebec, but the dock here is now occupied by the Niobe, precluding all others. The passengers will be disembarked tomorrow morning at seven o'clock and will go by rail to Montreal. There is no explanation of the cause of the accident.

About a year ago she went to her home with her only surviving daughter, Mrs. Ross, and had been in Springfield since that time.

A MIX-UP ON REMANDS; PRISONERS ARE FREED

Four prisoners in the county jail, who were to have been brought in this morning for trial, were found wanting when the time came and consequently hearing in the case could not be proceeded with. They were arrested in a raid on a Sheffield street house about a week ago, and were up for trial several times during the week. Toward the end of the week they were brought in and remanded. According to the memorandum kept by the police court clerk, the remand was not up until today, but they kept in jail, and the remand was up yesterday morning. Consequently, when the prisoners were not ready for trial, they were allowed out, as the jailer had no authority to keep them in the jail any longer. They were allowed to go yesterday morning about eleven o'clock. Two of the prisoners were Sarah Morris and Kathleen McIntyre, and they were before the court this morning on other charges. The McIntyre girl was charged with drunkenness, while Mrs. Morris was charged with selling liquor illegally. The McIntyre girl told the court that she became drunk in Mrs. Morris' house and that she was then thrown out. She consequently told where she got the liquor.

POLICE COURT TODAY

The case of Chester Graham, charged with attempting to escape from the chain gang, while they were at work at the General Public Hospital on May 3, came up in the police court this morning. Guards Beckett and Bowers gave evidence his runaway from the gang and being afterwards caught in a yard off Paradise Row. The prisoner was remanded to jail.

Two prisoners charged with drunkenness were fined \$8 or two months in jail. One of the two was a woman, Kathleen McIntyre, who was arrested a few days ago in connection with a raid on a house in Sheffield street. Out of this arrest arose a charge of selling liquor without a license, which was preferred against Sarah Morris, who was also in court last week on the charge of being the proprietress of a house of ill repute in Sheffield street. The McIntyre woman swore that she purchased five drinks of whiskey from the Morris woman in her house yesterday morning, paying ten cents for each drink. She testified that after getting drunk she was ejected from the house and was subsequently arrested. The Morris woman pleaded not guilty to the charge, and was remanded to jail.

Frank McDermott, arrested on Sunday afternoon on a charge of being drunk and also resisting the police, was fined \$8 or thirty days in jail on the first charge, and \$10 or two months in jail on the second charge. The fine was allowed to stand against him on condition that he take the pledge.

Hearing in the case of James A. Wilcox, charged with obtaining money under false pretences, was to have been begun this morning, but on account of the absence of Detective Killen, it was adjourned until tomorrow morning.
