Superintendent of Canadian Quarantine " Service Arrives in the City.

Dr. Montizambert, superintendent of Pi AI Cr the Canadian quarantine service, is at the Driard, having arrived from San Francisco last evening. The object of his visit is to obtain information for himself and the government. He attended the meeting of the public health association at Denver, and then proceeded to San Francisco, where he obtained information 'regarding the system followed to prevent the introduction of disease from the Orient. A visit was paid to Portland and the Sound cities for the same reason. He was accompanied from the Sound by Dr. Cobb, of the Port Townsend quarantine station. To-day, accompanied by Lieut.-Col. Prior. M. P., Dr. Macnaughton Jones, Dominion health officer, and Dr. George Duncan, city health officer, they paid a visit to the guarantine station at William Head.

Most of the day was spent there, the superintendent inspecting the buildings and enquiring into the system of dealing with patients and "suspects." Dr. Montizambert is also obtaining all information possible regarding the possibility of infectious diseases being introduced from the Orient by the Pacific He is interviewing all the parliners. ties who are likely to have any informa-

tion. Dr Montizambert does not know as yet how long he will remain here.

THE INSURGENTS' SMART MOVE.

Enquiry Ordered as to the Capture of the Patrol Boat.

Madrid, Oct. 14 .- Admiral Beranger,

Spanish minister of marine, has ordered that a strict inquiry be made into the capture by Cuban insurgents at Aserraboro bay, near Santiago de Cuba, of the Spanish patrol boat, and the disarming of the guard of marines on board her. The boat was commanded by a lieutenant of the Spanish navy and had twelve marines on board. Her armament cousisted of a gatling gun. The insurgents suddenly boarded her and disarmed the crew, after which they took away her gun, all her ammunition, stores, etc., as well as the arms of the marines. The ed the Nymphe will leave here about latter were then liberated. According to the instructions of the Spanish .minister of marine, the lieutenant who was in command of the boat is to be summarily punished if the facts of the case are as reported.

F. P. Gilman and wife, formerly of Hai-nan, China, are at the Driard.
