R. L. DRURY SPEAKS ON ORIENTAL QUESTION

T. D. Patullo and F. J. Stacpoole, K. C., on Benefits of Reciprocity Pact

West was held Tuesday in Semple's gentlemen, I put it to you, has it done a scheme will have to be devised to When I started taking "Fruit-ahall, when Lieut.-Col. Currie presided, so?

In opening the proceedings Colonel regarded as a Conservative stronghold. the wage-earners of the province of T. D. Patullo, who was the next It was a tribute to the common sense British Columbia? of the electors. The Conservatives had forced the issue upon them, but they welcomed the fight heartily.

R. L. Drury, who was the first speaker called upon, devoted his remarks cation and vindication of the government's policy. He said:

I am in perfect agreement with the chairman that the all absorbing topic election. The circumstances make it so. It is the issue upon which the verdict wish to depart from that issue or to divert attention from it, but I think it is also fitting, remembering the cirwhat took place on that occasion. you here to-night that the issue at that noteworthy. peal was based on the question of Ja- time.

ing the campaign, but after the smoke of battle had cleared away. This is the calm, sober, deliberate judgment of the calm, sober, deliberate judgment of the colonist as to the cause of the defeat of Hon. William Templeman. It is dated the 27th October, 1908, and is to be found in a leading editorial. "The principal reason," it says, "is to be found in the determination of the majority of the defeating proportion to the population in proportion to the population in the determination of the majority of the high price of the pact in view of the high price of the lands on the other died, by asking his hearers to carefully consider the matter because he was sure if they did that they would vote for the holice majority of the lands on the other died, by asking his hearers to carefully consider the matter because he was sure if they did that they would vote for the holice majority of the high price of the lands on the other died, wards ran away and the other died, was found guilty of the the firm. We made there every two chickens, one of which after wards ran away and the other died, was found guilty of the high price of the lands on the other two chickens, one of which after wards ran away and the other died, was found guilty of the high price of the lands on the other died, wards ran away and the other died, by asking his hearers to carefully consider the matter because he was sure if they did that they would vote for the heat of the lands on the other died, was found guilty of the lands on the other died, wards ran away and the other died. October, 1908, and is to be the lands on the other died, was found guilty of the lands on the other wards ran away and the other died. October, 1908, and is to be the lands on the other wards ran away and the other died. October, 1908, and is to be in the schools of Japan, and I also in the calm was sentenced to sever two chickens, one of which after wards ran away and the other died. October, 1908, and is to be lands on the other wards ran away and the other wards ran away and

caching to a seat in the cabinet, his that a verdict having been obtained on such an issue is a very against the Hon. William Templeman notable thing."

A meeting of the Liberals of Victoria as an Anglo-Saxon community. Well, effective as it has been in the past and well woman.

had the Liberals of Ward 1 been so fer in lieu of the Japanese agreement came in. Now it is for you gentel ity, although the ward had always been worked satisfactorily in the interest of the three hundred Japs. (Applause.)

> the Trades and Labor Council of this be congratulated on going to the councity, a non-political organization, which try on a question like reciprocity.
