TOWNSHIPS RUINED AND MANY LIVES LOST

Australians Have Not Yet Renewed Canadian Mail Subsidy - Wreck of French Ship.

News of a typhoon of unprecedented

fluegel, it appears that the storm suddenly made its appearance, and swept furiously across the group, wrecking everything in its track. The wind increased in strength until it attained such a velocity that nothing could withstand its force. Dwelling after dwelling was demolished. Stores, public buildings, churches, and mission stations were in rapid succession levelled to the ground, and eventually the residence of the government and the agreement with the America's company—an agreement with the America's company—an agreement with the America's company—an agreement which expires towards the end of next year. The Fed eral government has paid a small sum, 2s. a lb., for letters carried by this line, and 4s. a cwt. for other matter, but the postmaster-general announces in this morning's issue that he has determined to increase the payment for letters to 3s. 7d. per lb. This is due to the strong representations made by the New Zealand postmaster-general. But, even with and eventually the residence of the governor was destroyed. At the end of land postmaster-general. But, even with two hours there was not a solitary building the better feeling, thus created, the Common wealth has no guarantee for the common was destroyed. two hours there was not a solitary building left standing either in the island of Kusae or Ponopi, and it is evident that other islands in the vicinity must have suffered equally. Plantations of all desurged in the vicinity must have suffered equally. Plantations of all desurged in the vicinity must have suffered equally. Plantations of all desurged in the vicinity must have suffered equally. Plantations of all desurged in the contract with the Canadian-Australian company is not respectively.

auxiliary schooner Diana, which was employed in trading between the different islands in the group, was carried ashore by the violence of the winds. A tidal wave lifted the little vessel on to the rocks, against which she was dashed with such fury that within the space of a few minutes she was a complete loss. Fortunately no lives were lost as a result of the wreck.

Another shipping casualty which occurred at Ponopi during the visitation was the stranding of the handsome government yacht Ponopi, which was recently specially designed and built in the United States for administrative work in the Caroline group. The crew of five hands, all told, were saved.

Another shipping casualty which occurred at Ponopi during the visitation was the stranding of the handsome government yacht Ponopi, which was recently specially designed and built in the United States for administrative work in the Caroline group. The crew of five hands, all told, were saved.

was accompanied by a tidal wave, which, it is feared, resulted in great destruc-

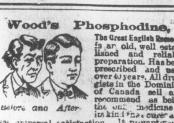

"Ponopi presented a scene of absolute tain Fluegel remarked to a reporter. "There was not a building standing in the whole island, and huts were being erected everywhere to accommodate the Was Accused of Having Forged Certifiresidents. homes were demolished, including fifteen dwellings. The tornado lasted perhaps thirty minutes. Hundreds of head of stock were killed.

With a cargo which will probably be worth more than \$1,000,000, the British steamer Ning Chow, Captain Davis, of the White Funnel line, will sail at day-light Thursday. From Tacoma she sails directly to Yokohama and then to orner Japanese and Chinese ports, the East Indies; Suez canal and Liverpool.

Clarke: vice-presidents, F. J. Proctor, were hardly dreamed of two years ago. If peace should come now the government would be able to turn its attention to the interior and possibly check the side of reform."

Maxim Gorky's health has much improved. His attorneys are making plans for his defence of the charge of precipitating the revolutionary riots, which directly to Yokohama and then to orner Japanese and Chinese ports, the East Indies; Suez canal and Liverpool.

GIBBONS CASE WAS

THE HEARING SET FOR MONDAY AFTERNOON

A. D. Taylor, of Vancouver, Applies For Bail for J. K. Mecredy Who is Under Arrest.

(From Wednesday's Daily.) Those who gathered in the provincial police court room this morning in the expectation of hearing the preliminary inquiry into the charge against Charles Gipbons were doomed to disappointment. W. J. Taylor, K. C., the defendant's ounsel, applied for another remand until Monday afternoon, as he had had no ime to get properly instructed. The magistrate pointed out that in this connection there was another circumstance to be taken under consideration and that was the fact that the

principal witness, J. K. Mecredy, was Mr. Mecredy's counsel, A. D. Taylor, of Vancouver, said that if a remand of the case until Monoay were granted he would apply for bail for his client. It greeted the keenly anticipated struggle was unreasonance to keep the witness in between the Vesprs, or Philadlphia, and custody until that time, when he was the Leanders in the second heat for the Grand Challenge Cup to-day. This was the first race of the day and the wide-

The magistrate said he had no power ning post long before the hour for the him, and unless Mr. Taylor could show some statutory authority he would be un-

Mr. Taylor insisted that the section specified by him gave the authority. delegation of their countrymen and delegation of their countrymen and Taylor that the higher court had the necessary power in this respect. Besides, he understood Supt. Hussey to say yesfore the start, the Leanders seemed the terday that the case would not last more

W. J. Taylor, K. C., counsel for Mr. Gibbons, said that where counsel was of the Philadelphians was snown in the properly instructed the hearing could be splasting which marked their first half made shorter than would be the case in dozen strokes. The Leanders, who had the Berkshire side, started with a stroke of 41 to the minute and the Vespers with 39. The nose of the British long, but he supposed a Supreme court judge had the authority to grant him bail. Prisoner's counsel also said that even if them when they passed Temple island it were impossible for Mr. Mecredy to get in the record time of 47 seconds. The Philadelphians, however, began to give magistrate from granting a remand of

Magistrate Hall-But I don't think the witness should be detained any longer than possible. The upshot of the discussion was that a remand was ordered until Monday, the understanding being that if Mecredy was

unable to obtain bail the case would be proceeded with earlier. Mr. Mecredy's counsel at once busied himself in getting the necessary papers ready for an application to a Supreme court judge.

Mr. Mecredy came down from Vancouver yesterday in the custody of the provincial police.

A FOOT FIXER.
