The Canada Sunday School HARP,—A Collection of Hymns and Tunes for Sunday Schools and the Social Circle.

This much-needed and long desired collection of Hymns and Tunes has been prepared with great care and taste, and will supply a want long felt in the Sunday Schools and religious circles of our Province. It contains 212 Tunes and Hymns, in 208 pages, and is sold at 40 cents per copy, or \$4 per dozen, in boards. In paper covers at 35 cents per copy, or \$3 50 per dozen.

As this choice Selection of Sacred Music has been made with much labour, and published at very considerable expense, to supply a want long felt in our country, we confidently rely on the Ministers, Superintendents and friends of Sabbath Schools to see that it is introduced into our schools and families. As the CANADIAN CHURCH HARMONIST is supplying our Churches with a Choice Selection of Psalm and Hymn Tunes, Anthems, Sentences, &c., so THE CANADIAN SUNDAY SCHOOL HARP will supply our schools, social circles and youths with hymns and tunes promotive of deep and exalted piety, and prepare each to help to swell "the voice of rejoicing and salvation in the tabernacles of the righteous."
