Miramichi and the North that the prisoner fully understood the effect of the admission of his guilt just made and had nothing to urge in excuse

of his conduct. His Honor then proceeded to pass senence, referring to the nature of the crime meet in St. James' Church Hall, Newcastle, fore him for sentence charged with a Tuesday next at 10 a. m. felony. He reminded the prisoner that it was not too late for him to amend, and exof St. Michael's T. A. Society, Chatham, the time for which he was about to senand aid necessary to enable him to lead a meeting of the Miramichi Religous Tract
Society will be held in the Mechanics' Inliberty. He referred to the interest which stitute, Newcastle, on Thursday, 6th Feby., Mr. Ketchum, Warden of the Penitentiand hoped Sheppard would so conduct himself as to deserve that officer's good

Owing to the illness of His Honor the civil causes which were intended for trial, were withdrawn by consent of all parties interested and they stand over until the April term.

## Correspondence.

An obliging Northesk correspondent MR. EDITOR-Bass fishing has been very uncertain and unprofitable to both the fishermen and shippers. Never before were there so many fishermen on our river. There are 75 shanties, occupied by next at that town. It will, no doubt, be the ball of the season, as the arrangements are under the management of a very efficient committee, whose invitations have been leaved to the management of the season of the decrease of the fish.

Some say it is because the smelt nets descient committee, whose invitations have been looked forward to with no little interest by the "fair sisterhood" of the Mirton the fall freshet. Whatever the cause the smelt nets destroy the young fish. Others attribute it to the fall freshet. Whatever the cause past, sought to have independent enquiry past, sought to have it extended by an addition ment. there has not been one quarter the fish

caught this season that there was last. The young people of Districts No. 11 and 12 are having a very pleasant time MONSTER BEANS:-A correspondent this winter in the new hall which was commenced last April, and is now nearly "Having lately seen a notice of some completed. Considerable discussion resulted on the motion for the adoption of the report, in which it was contended, on the one hand, that if the road drainage was allowed to have reported by the road drainage was allowed to have reported by the road drainage was allowed to have reported by the road drainage was allowed to have reported by the rep on the other that if the claim was admitted, similar ones might be brought in from every parish, and, lastly, that this was no reason why the petitioner should suffer. The motion was finally adopted LIME, by six applications" Another who has had ASTHMA for years, says: "I have on a vote of 8 to 5.

COUNTY AND PARISH ACCOUNTS.

It was moved that the Council go into Committee of the whole to consider the CLECTRIC OIL restored the voice where Committee of the whole to consider the County and Parish accounts and that Coun.

Crocker take the chair. Carried.

The Chairman, Coun. Crocker, said that the report ought to be in writing, at least as to general remarks.

The Sec.-Treasurer said it would be sufficient to bring in the accounts and make carbal reports.

ELECTRIC OIL restored the voice where the person had not spoken above a whisper in Five Years." Rev J. Mallory, of Wyoming, N. BOTANIC MEDICINE Co., Buffalo, N.Y.: Gentlemen-I lost three pounds while Yours truly, MRS. M. B. MYERS. Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and Lung troubles when an immediate relief can so readly be attained. Boschee's Ger-W. Woods, conveying lunatic to the man Syrnp has gained the largest sale in W. Woods, conveying lunatic to the Asylum at St. John from Douglastown, and the severest Lung Diseases. It is Dr.

332. and the severest Lung Diseases. It is Dr. Bosches's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of failure to do its work in though the account was certified by a Justice, the complainant should pay in cases where there was no conviction. The Sectraes and it was a public prosecution and the County was liable.
