Partly on account of the small quantity of tar on hand and also on account of the difficulty of getting men for street work and the amount of work to be done, the feasibility of letting out part of the work by tender was discussed. Finally, on motion of Ald. Sproul, it was decided to call for tenders for the new asphalt work.

The condition of the streets and sidewalks in the various wards called forth many complaints from the various representatives. Ald. Pickett complained that the amount appropriated for his with the carritte-Patterson Co.
