What You Pay For Medicine

Is no Test of its Curative Value—
Prescriptions vs. Dr. Chase's
Kidney-Liver Pills.

Dr. Chase's Kidney Liver Pills are just
as much a doctor's prescription as any for-
mula your family physician can give you.
The difference is that Dr. Chase's Kidney-
Liver Pills were perfected after the for-
mula has proven itself of incalculable value
in scores of hundreds of cases.

Dr. Chase won almost as much popular-
ity from his ability to cure kidney disease,
liver complaint and backache, with this
formula, as he did from the publication of
his great recipe book.

The idea of one treatment reaching the
kidneys and liver at the same time was
original with Dr. Chase. It accounts for
the success of Dr. Chase's Kidney Liver
Pills in curing the most complicated ail-
ments of the filtering organs, and every
form of backache.

Mr. Patrick J. McLaughlin, Beauhar-
nois, Que., states: "I was troubled with
Kidney disease and Dyspepsia for 29 years
and have been so bad that I could not
sleep at nights on account of pains in the
back, but would walk the floor all night
and suffered terrible agony."

"I tried all sorts of medicines but got
no relief until I began using Dr. Chase's
Kidney Liver Pills. They made a new
man of me, and the old troubles seem to
be driven out of my system."

Mr. John White, 72 First Avenue, Ot-
tawa, writes: "I used Dr. Chase's Kid-
ney-Liver Pills for deranged liver and pains
in the back, with excellent results."

"My wife used them for stomach trouble,
and pains about the heart, and is entirely
cured. They are invaluable as a family
medicine."

Scores of hundreds of families would not
think of being without Dr. Chase's Kidney
Liver Pills in the house. They are purely
vegetable in composition and remarkably
prompt and effective in action. One pill
a dose, 25 cents a box, at all dealers, or
Edmondson, Bates and Company, Toronto.

THINGS OF VALUE.
Mrs. Hatterton—I don't know what I shall do
my husband has been so contented lately over his
meal at home.
Mrs. Catterton—Why, I didn't know you were
without a cook.
There never was, and never will be, a universal
panacea, in one remedy for all ills to which flesh is
subject—the very nature of many diseases being such
that were the germ of other and differently seated
diseases rooted in the system of the patient—what
would relieve one ill, in turn would aggravate
another. We have, however, in Quinine Wine, when
obtained in a sound unadulterated state, a remedy
indeed, in the most reliable systems are led into con-
valescence and strength, by the influence which
Quinine exerts on the system, over restoring it, it
relieves the drooping spirits of those with whom a
chronic state of morbid despondency and lack of
interest in life is a disease, and, by tranquillizing
the nerves, disposes to sound and refreshing sleep
—imparts vigor to the action of the blood, which
being stimulated, courses throughout the veins,
strengthening the healthy natural functions of the
system, thereby making activity a necessary result.
It reconstructs the frame, and giving life to the
dysentery organs, which naturally demand increased
nourishment—result, improved appetite, Northern
Lymans of Toronto, have given to the public their
superior Quinine Wine at the usual rate, and, as
gauged by the opinion of scientists, this wine ap-
proaches nearest perfection of any in the market.
All druggists sell it.

First Bookkeeper—That Jenks is the whitest
man in the office!
Second Bookkeeper—I never heard him say a
bright thing!
First Bookkeeper—No, but he's got wit enough
to laugh heartily every time the boss tells that stale
old chestnut joke of his.
A CAREFUL PREPARED PILL—Much time and
attention was expended in the experimenting with
the ingredients that enter into the composition of
Farnley's Vegetable Pills before they were
brought to state in which they were first offered
to the public. Whichever other pill you buy, be
satisfied that Farnley's Vegetable Pills are the result of much ex-
periment study and all persons suffering from dyspepsia
or disordered liver and kidneys may confidently ac-
cept them as being what they are presented to be.

Mother, angrily—Did I see you playing pitch
and toss with that little Journal boy?
Tommy—Yes, ma.
Mother—Well, don't do it again. Do you hear
me?
Tommy—Yes, ma. I won't do it no more. He
hasn't a ha'penny left.

A SUCCESSFUL MEDICINE—Everyone wishes to
be successful in any undertaking in which he may
engage. It is, therefore, extremely gratifying to
the proprietors of Farnley's Vegetable Pills to
know that their efforts to compound a medicine
which would prove a blessing to mankind have
been successful beyond their expectations. The
endorsement of these pills by the public is a guar-
antee that a pill has been prepared which will fulfil
everything claimed for it.
Jenks—I don't believe Danie's description of the
Interni is correct.
Winks—Why not?
Jenks—Not one of the shades said to any other
shade—'It is not enough for you'.
Farnley's Like Her—Tena McLeod, Severn
Bride, writes: "I owe a debt of gratitude to Dr.
Thomas' Eucalypti Oil for curing me of a severe
cold that troubled me nearly all winter." In order
to give a quickness to a hacking cough, take a dose of
Dr. Thomas' Eucalypti Oil three or four times a day, or
if the cough spells render it necessary.

Litigant—You take blue-tents of the Indigement?
Ourselves? I furnish all the skill and eloquence
and legal learning for your cause.
Litigant—You furnish the cause.
Lawyer—Oh, surely could do that.
There are many cheap medicines in the market,
but it is sometimes difficult to tell which to buy;
but if we had a cough, a cold or any ailment of the
throat or lungs, we would try Bickel's Andromeda
sumptive Syrup. Those who have used it think it
is far ahead of all other preparations recommended
for such complaints. The little tells like it as it is
as pleasant as syrup.
