

## ERRATA.

By mistake in setting the matter for the Minutes, the following Resolutions were omitted, which omission was not discovered till the whole were stitched ready for the covers. The best we could do, under the circumstances, was to print them on this page:—

### METHODIST UNION.

Q.—What are our views on Union?

A.

1. "This Conference views with great pleasure the interest taken by the Canadian Churches in Union, and the concessions which many people are prepared to make in favor of its consummation. We affirm ourselves in favor of the Union of Canadian Methodism, whenever it can be accomplished without doing violence to our cherished distinctive principles.

2. "Any basis of Union to be acceptable to this Conference, must secure to the laity their full share of right in the government of the Church.

3. "That while, in view of our connection with the Bible Christian Conference in England, we cannot take any measure for amalgamation with any other body or bodies without the consent of the English Conference, nevertheless we hereby empower the Executive Committee during the present year to act as to them may seem right, provided always that they do not commit us to any scheme repugnant to the above resolutions.

4. "That the Secretary be instructed to send a copy of the above resolutions to the Presidents of the several Methodist Churches in Canada.

5. "That the Corresponding Secretary with England, be requested to communicate with the English Conference authorities, with the view of eliciting their views on this question."

### CHRISTIAN EXPERIENCE.

RES. 64.—That in relating our Christian experience we were enabled to speak with clearness of our acceptance with God, of cloud and sunshine, of trial and triumph, in carrying on the work of God during the past year. A blessed influence was realized, our prospects were brightened, our zeal inflamed, and our souls more fully drawn out after God. While considering the state of the Church, the wants of the world, the brevity of time, the approach of death, and the boundless future, we give ourselves afresh to God and the work of the Ministry.
