## TOILET ANTISEPTIC

—NOTHING LIKE IT FOR—

**THE TEETH** Paxtine excels any dentifrice in cleansing, whitening and removing tartar from the teeth, besides it destroys all germs of decay and disease which ordinary tooth preparations cannot do.

**THE MOUTH** Paxtine used as a mouth-wash disinfects the mouth and throat, purifies the breath, and kills the germs which collect in the mouth, causing sore throat, bad teeth, bad breath, the grippe, nasal and bronchial diseases.

**THE EYES** when inflamed, tired, ache and burn, may be instantly relieved and strengthened by Paxtine.

Used in bathing Paxtine destroys odors and leaves the body antiseptically clean.

**CATARRH** Paxtine will destroy the germs that cause catarrh, heal the inflammation and stop the discharge. It is a wonderful remedy for **uterine catarrh**.

A little Paxtine dissolved in hot water makes a strong antiseptic solution of extraordinary cleansing, germicidal and deodorizing power—perfectly harmless and most economical. There is nothing like it.
