Dear Sarah,  
I've wanted to meet you since I first saw you, and

now that I have... I have discovered that you are more than I had hoped. You are special, and I like you more than words can express. I hope to become a part of your life over the immediate future.

Siren  
Sorry, Chik-on-pang doesn't really appeal to me although I do love Disney. Maybe we could rent one sometime - how about "Beauty & the Beast (Snuffy)"?

Jesus & Buzz,  
We were saddened to hear of the death of your dear friend, Great White.

In honor we give you:  
"Ode to Great White"  
There once was a fish,  
His name was Great White.  
He smoked and drank  
And partied all night.  
But those boys from Neill,  
They partied too hard,  
And poor old Great White...  
Dropped dead.

To the "Little Boy" from Neill  
I had a great time last Saturday. Shall we do it again sometime?  
PS. How about going to the library?

Dancing Queen-  
"Does your mother know" that you want to "take a chance on me"? I'll be your Napoleon at "Waterloo" if you'll be my Josephine. Sorry I couldn't make the Social Club - maybe some other time!  
"Thank you for the music!"

Gibby,  
Being alone amongst many is not too difficult, when you are constantly with the one you love. And for those who lack the courage and say it's dangerous to try; they don't know that love eternal will not be denied.
