

Dalhousie volleyball team sweeps series

Tigers Continue to Win

This past week the Dal Women's Volleyball Team continued their winning ways by scoring two convincing wins over Acadia and St. F.X.

The first of the two victories occurred last Thursday at home before the largest crowd of the season. The result was a 15-2, 15-6, 15-12 win for the Tigers over the winless Acadia squad. A highlight of this match was the outstanding serving by Nancy Weeks, who served 21 of Dal's 45 points.

On Saturday, the Black and Gold journeyed to Antigonish to avenge a defeat at the hands of the X-ettes the week before. Again, the Halifax team came up with a stalwart performance with a quick 15-9, 17-15, 15-5 thumping of the home squad.

The Tigers have only one league game left before the AUA championship. This game will be played Saturday at 1 p.m. in the Dal Gym

against St. F.X. This match is important for both teams as Dal would like a win to increase their undefeated streak to five while St. F.X. are presently engaged in a tough battle with Mt. A. for the final play-off berth and a win would greatly help their cause.

It has often been said that the team that stays together, wins together and Dal has a couple of players who greatly exemplify this belief. Four years ago, after playing together for the P.E.I. Winter Games Team, Norma Hogg and Nancy Weeks both came to Dalhousie where they donned the uniforms of what was then the Dal Tigerettes.

Since that time the two have provided the team with many great plays, dedication, spirit and leadership. This past season the P.E.I. natives have served together as co-captains and this Saturday they will play their last home game as Tigers.

Dal vaults to victory

Fresh from their victories in Quebec and Moncton in the preceding weeks, Dal gymnasts took top honours at the U.N.B. Invitational Gymnastic Tournament, February 3 in Fredericton. Ken Salmon (first year Physiotherapy) led teammates Dan Boland (third year Physiotherapy) and Steve Fraser (Education) to an easy victory in the five team tournament. Dal led with 125 points over New Brunswick Winter Games team with 116, followed by Nova Scotia Winter Games 113, University of Moncton 111, and University of New Brunswick 109 points. Salmon was the overall individual winner, taking first place in floor and rings. Second overall was Roger Doucet of Moncton followed by Boland and Dal's Paul Brousseau (second year Physical Education) tying for third place. Brousseau, who took

first in side horse and horizontal bar, was competing for the Nova Scotia Winter Games team in this tourney. First place in vaulting and parallel bars was wrapped up by Dan Boland.

This win, without former CIAU champion Shawn Healey, was Dal's most resounding victory yet this season. With three wins already over the other Atlantic teams, Dal is highly favoured to win the Atlantic Conference Championship which will be held at Dalhousie on February 16. At this time fans will be able to see Dal's team, most of whom are former national competitors, at its best, with Boland and Salmon making iron cross on rings, Healey making an impressive Tsukahara vault and Brousseau making a doubleback somersault off horizontal bar.

There'll never be another Vice President like Richard.

Never.

The President made that promise to himself last Thursday afternoon, after Richard blew an important new-business presentation.

Richard isn't incompetent. The villain is his lunches, or rather the too-many drinks he often has at lunch. Come afternoon, he's just not as sharp as he was in the morning.

Richard is playing dice with his health. His old-fashioned business style is also sabotaging his career.

Today, with competition so rough and stakes so high, even the most generous company can't be patient for long with an employee whose effectiveness ends at noon.

If you're a friend, do Richard a favour by reminding him of the good sense of moderation.

You can bet the man eyeing his job won't help him.

This, he added, is difficult to do at present, given the absence of any clear political leadership needed not only to articulate, but to implement the nation's will.

Finally, Shepherd closed on a note of optimism, inviting one and all to participate in the "exciting rather than frightening" drive to self-reliance.

And when the skeptics were through, yet another impassioned actor had shuffled his way across the stage.
