your own heart. We both  
regard it as one of the great  
pleasures of our lives to have  
had, as friends, your beloved  
Father & Mother, and now to  
follow with special interest and  
pleasure your own distinguished  
public career and ever  
wish you the best success  
in your efforts to guide the  
affairs of our Country

wisely, in a time when there
