MONTREAL, 9th May, 1935

Dear Mr. Hinds,-

I have your letter of May 8th and thank you for the information therein contained which is just what I required. I also thank you for the copy of the Senate Rules relating to divorce.

Mr. Meighen promised a copy of his speech on Shakespeare to Sir Joseph Chisholm. This is not the first promise of the kind that to my knowledge he has made and unless Sir Joseph is more fortunate than some of the others to whom promises have been made, he will wait a long time for the speech. Have you a copy that you can send him? His address is:

Sir Joseph A. Chisholm,  
Chief Justice, Supreme Court of Nova Scotia,  
Halifax, N. S.

Yours very truly,

A. H. Hinds, Esq.,  
Chief Clerk of Committees,  
The Senate,  
Ottawa,  
Canada.

*Sir Joseph would be greatly dismayed if Mr Meighen knew or thought he had misused the name - which he did not.*
