

which would be payable before any timber were cut on the Reserve; no timber of less than eleven inches to be cut.

In reply I beg to inform you that, with a view to a proper consideration of your offer, it will be necessary for you to give a description of the note at six months which you propose to offer to the Dept. as security for the payment of the balance over and above ~~for~~ of either amounts offered by you for the timber.

I am, Sir,  
Your obt servant  
Waukonjens  
Deputy Supt. General
