

Parish, notwithstanding his zeal, piety, and unwearied exertions, to give them that attention which his love of piety would lead him to wish for. The other, we would think, might be a younger man, who would not object to take charge of a Seminary, from which a respectable portion of his Salary would be derived. Our Parish School is well conducted as far as Writing, Reading, and Arithmetic, but as Parents wish their children to progress, they are forced to send them to other places, not Catholic, for them.

We think ~~that~~ Three Hundred Pounds Currency, per annum, would be freely given, with comfortable lodgings in our spacious Glebe House. We are aware that this compensation would not be an object for two gentlemen to leave their comforts at home, but when we know that in all ages of the Catholic Church, the zeal of her Clergy has prompted them to lay every consideration prostrate when an opportunity offered of extending the Kingdom of their Heavenly Master, and as no part of this Continent seems to be more destitute of Spiritual help than this Parish of Halifax, the Capital of Nova Scotia, second to none in British North America, for numbers and respectability, we entertain and cherish the fond hope that your Lordship's application to some of the many Bishops, whose names must be familiar to you, will not be made in vain. As the Packet with Her Majesty's Mail will leave for England in a few days, we trust you will embrace the opportunity of writing by her for the purpose of meeting our wishes. Trusting the Almighty may bless and reward your labours, We have the honour to remain,

Your Lordship's Obedient and Humble Servants,

(Signed)	JOHN LAUGHNAN, P. P. MICHAEL TOBIN, Sen. L. O'CONNOR DOYLE, MICHAEL TOBIN, Jr. EDWARD KENNY,	} Committee.
