Resisted by the certain curative power of **Radway's Sarsaparillian**.
The wonderful power of this remedy over diseases of the Kidneys is due in a
great measure to the virtues of the pure Pareira Brava, one of its ingredients—

AN IMPORTANT LETTER

from a prominent gentleman and resident of Cincinnati, Ohio, for the past forty
years, well known to the book publishers throughout the United States:

New York, Oct. 11th, 1870.

DR. RADWAY —*Dear Sir:*—I am induced by a sense of duty to the suffering to make a brief
statement of the working of your medicine on myself. For several years I had been affected
with some trouble in the bladder and urinary organs, which some twelve months ago culmina-
ted in a most terribly affecting disease, which the physicians all said was a prostatic stricture
in the urethra, as also inflammation of the kidneys and bladder, and gave it as their opinion
that my age—73 years—would prevent my ever getting radically cured. I had tried a num-
ber of physicians, and had taken a large quantity of medicine, both allopathic and homœo-
pathic, but had got no relief. I had read of astonishing cures having been made by your
remedies; and some four months ago I read a notice in the Philadelphia *Saturday Evening*
Post of a cure having been effected on a person who had long been suffering as I had been.
I went right off and got some of each—your Sarsaparillian Resolvent, Ready Relief, and Reg-
ulating Pills—and commenced taking them. In three days I was greatly relieved, and now
feel as well as ever.

C. W. JAMES, Cincinnati, Ohio.

DYSPEPSIA.

HUNDREDS of maladies spring from this complaint. The symptoms of this
disease are the symptoms of a broken down stomach. **Radway's Sarsa-
parillian**, aided by Radway's Pills, when needed, is a sure cure for this com-
plaint. It restores strength to the stomach and makes it perform its functions.
The symptoms of Dyspepsia disappear, and with them the liability of the system
to contract diseases. Take the medicine according to the directions.
