SECRETARY'S REPORT.

Another milestone has been reached in the onward march of our society, and with it comes an opportunity to review the work which has been done during the year. Though the visible results are not great, and we regret that so little has been accomplished, yet we believe that the Master whom we serve will not let our efforts prove fruitless. Our meetings have been held regularly and have been well attended. To create a greater desire for the higher life, the life hid with Christ in God, is the chief aim of our meeting together.

The Missionary department is a live one and the members' interest in it is kept up most effectually by discussion of Missionary topics and the reading of letters from our native teacher in Japan (Mr. Watanabe). The Society feel encouraged to support Mr. Watanabe in his work another year.

Two very profitable evenings were furnished by the Literary Department, the first a lecture given by Rev. J. E. Lancely, of Toronto, and the second a paper on "The Early Days of Ottawa" by Miss G. Kenny, B. A.

The Social Department has been chiefly active in distributing flowers to the sick. On Good Friday and Easter Sunday flowers were also given to the patients in the Hospitals. A number of the members also visited the old Women's Home at Xmas, giving to each of the inmates some small gift and afterwards holding a song service to brighten their day.

Of the help and inspiration gained in our meetings we need not speak here, but we covet earnestly an interest in your prayers and pray that God will guide and use our humble efforts this year for His glory.

E. M. COURTNEY, Secretary.
