

To Make The Winning Bid

The Ideal Concrete Machine makes it possible to cut your bid without cutting your profit.

It is impossible to underbid the contractor who manufactures his own Ideal Concrete Building Blocks with an Ideal Concrete Machine.

The marvelous simplicity and rapidity of the Ideal Machine makes it possible to produce Ideal Concrete Blocks at a cost that makes the lowest bid a profitable one. May be successfully operated by any one without previous experience or other assistance.

Ideal Blocks are adapted to any possible architectural design, and excel all other materials in fire and weather-proof qualities.

Ideal Concrete Machinery

Embodies the only principle (face down) permitting the use of rich facing material with less expensive material in back of blocks. Adaptable to the manufacture of five different systems of blocks—Hollow, Solid, Veneer, Two-piece, and Continuous, in various shapes and sizes. The same machine makes countless designs of face, and natural stone effect. (See illustration).

Practically everlasting. Not a chain, spring, wheel or cog in its construction.

Catalogue and valuable facts for builders free on application.

CHATHAM DUMP BOXES

HAVE SEVERAL very desirable features. They can be placed on any ordinary Wagon Gear. When the wagon gear is desired for other purposes, all you require to do is to remove the Box. The inside view shows how the load is dumped clear of the reach, and the inside half of the bottom protects the reach.

Loose earth, sand, gravel, lime or any other commodity of like nature can be dumped in one pile, or spread along as desired. The contrivance for dumping is operated by foot, so the driver has the use of both hands. Load can be dumped without driver leaving the seat, and the bottom can be drawn up into position while starting on the return trip.

A GREAT TIME SAVER

No teamster can afford to be without it. No contractor can afford to hire a teamster not using one of these boxes.

DROP US A CARD AND WE WILL BE PLEASED TO GIVE YOU FURTHER PARTICULARS, PRICES ETC.
